## Membership requirements for Pi Mu Epsilon

A person meeting any one of the following criteria is eligible for membership, regardless of sex, race, religion, or national origin.

1. **Undergraduates** who have completed at least the equivalent of two semesters of calculus and two additional mathematics courses beyond calculus, and who have earned a 3.0 GPA both in their mathematics classes and in their overall college coursework.
2. **Graduate students** whose mathematical work is equivalent to that required for undergraduates, and who have maintained a GPA of 3.0 or higher in the year prior to admission into Pi Mu Epsilon.
3. **Faculty members** in mathematics or related subjects.
4. Any person who has achieved distinction in a mathematical science.

### Membership fee

Each application must be accompanied by a \$20 membership fee. This fee is required by the Pi Mu Epsilon national organization to process your membership. It will be passed along in entirety to the national organization for applicants who are admitted, and returned in entirety to any applicant who is not admitted. Applications without the membership fee cannot be accepted. Please make checks payable to **Pi Mu Epsilon WV Beta Chapter**.

The ongoing dues for active Pi Mu Epsilon for members are \$1 per semester.
