If necessary, student may be able to *retake* the professional exam in the fall semester of the senior year. In a few cases, the student, after discussions with his/her advisor, may choose to take the professional exam during the spring semester of the sophomore year to apply for early entrance. An individual may take the MCAT only three times. Professional exams are AHPAT – Allied Health Professions Admission Test for Physical Therapy Schools; DAT – Dental Admissions Testing for Dentistry School; GRE – Graduate Record Exam for Physician Assistant School, Podiatry School, or Veterinary Medicine; MCAT – Medical College Admission Testing for Medical School or Podiatry School; OAT – Optometry Admission Testing for Optometry School; PCAT – Pharmacy College Admission Test for Pharmacy School; and VCAT – Veterinary College Admission Test for Veterinary Schools. Consult the professional school(s) of your choice to determine which professional exam is required.
