

MARSHALL'S STRATEGIC VISION - *Our Bold Constellation for the Future*

Focus Resources on Advancing Centers of Excellence

Status Update for:

April 2008 - West Point Bridge Competition supporting Intelligent Transportation

February 2008 - Pre-proposal for the Ohio River Observatory to EPSCoR

Fall 2007 - Voluntary, ad hoc committee to oversee the initial stages of developing a comprehensive, integrated "Center for Environmental Research, Assessment and Policy."

Fall 2006 - Entered into an agreement with Edvantia (formerly Appalachian Educational Laboratory) to collaborate on educational evaluation and research projects.
