Continuation of Meals Over Break . . .

Option 1:

INTO or any other Marshall department may purchase a predetermined, prepared and prepackaged dinner meal to include entrée, starch, vegetable, rolls and a dessert. This meal will be available to be picked up by 4:30 p.m. at the cost of \$10.00 per person per meal; drinks will not be included.

Option 2:

Predetermined, precooked, single prepackaged meals that consist of an entrée, starch and vegetable can be picked up by the customer/student 2 days in advance, frozen and reheated in the microwave. The cost for these meals would be \$8.50 per person, per meal; dinks will not be included.

Option 1 and 2 are only available when the Food Court is open but operates on a reduced schedule. Each option will require preplanning of menus and time necessary to ensure the highest quality of service. Option 2 was designed with the understanding that there will be a longer period of time during winter break when the Student Center will be closed.

Option 3:

Meals can be ordered from the Catering website at marshalldining.com by clicking on the catering tab and choosing from the catering guide or the shoe string menu to be picked up or delivered to an available location of your choice.

Option 3 would be available when the Food Court is not opened.

Subject: Pricing for Athletic Training Table

Sodexo would like to change the pricing for the Athletic Training Table Meals effective August 16, 2013. The current contract reads as follows on page 10 of MU-10:

Athletic Training Table

Evening Meals

For each meal served, a charge of \$298.20 will be billed to the Athletic Department for additional labor.

Training Table Meals

A period of one hour and fifteen minutes will be allotted for service of football training table meals. Additional hours of service will be charged \$50.00 per hour. Additionally, the preseason per athlete meals for the Football team and Basketball team will not exceed the following prices:

Current Pr	icing	Proposed new pricing			
Breakfast	\$10.00	Breakfast	\$10.50		
Lunch	\$12.00	Lunch	\$12.60		
Dinner	\$14.00	Dinner	\$14.70		

Proposed new pricing is based on menus that remain within the parameters of meals provided in previous years.

We would also like to offer a new option: Breakfast with an omelet station for \$14.50.

An additional charge of \$50.00 would apply for chef services for the omelet station.

LIFE OF THE CONTRACT

<u>LIFE OF CONTRACT</u>: This contract becomes effective on August 16, 2009 and extends for a period of one (1) year or until such reasonable time thereafter as is necessary to obtain a new contract. Such "reasonable time" shall not exceed twelve (12) months upon expiration of one (1) year from the effective date of this contract by giving the Director of Purchasing thirty (30) days written notice.

RENEWAL: This contract may be renewed upon mutual written consent, submitted to the Director of Purchasing thirty (30) days prior to the date of expiration. Such renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to nine (9) successive one (1) year periods.

<u>CANCELLATION</u>: The Director of Purchasing reserves the right to cancel this contract immediately upon written notice to the contractor if the commodities or services supplied are of an inferior quality or do not conform to the specifications of the bid and contract herein.

OPEN MARKET CLAUSE: The Director of Purchasing may authorize a spending unit to purchase in the open market, without the filing of a requisition or cost estimate, items specified on this contract for immediate delivery in emergencies due to unforeseen causes (including but not limited to delays in transportation or an unanticipated increase in the volume of work).

<u>TIME</u>: Time consumed in delivery or performance is of the essence.

FUNDING PARAGRAPH: Service performed under this contract is to be continued in the succeeding fiscal year contingent upon funds being appropriated by the Legislature for this service. In the event funds are not appropriated for these services, this contract becomes of no effect and is null and void after June 30.

<u>INTEREST</u>: Should this contract include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest charges are deleted.

<u>CONTRACT PRICING</u>: Unless otherwise allowed by the Director of Purchasing, price increases will be approved only at the beginning of each renewal period. All adjustments will be made in dollars, not per cent. Requests for price increases must be received in writing by the Director at least thirty (30) days in advance of the effective date. Contractors may add products throughout the term of this contract when it is in the best interest of the University. The Director at Marshall University will determine which products will be added. Price decreases will be "passed through" to Marshall University.

If either party breaches a material provision hereof ("Cause"), the non-breaching party shall give the other party notice of such Cause. If the Cause is remedied within sixty(60) days in the case of failure to make payment when due or ten(10) days in the case of any other Cause, the notice shall be null and void. If such Cause is not remedied within the specific period, the party giving notice shall have the right to terminate this Agreement upon expiration of such remedy period. The rights of termination referred to in this Agreement are not intended to be exclusive and are in addition to any other rights or remedies available to either party at law or in equity. Either party may terminate this Agreement at any time upon thirty (30) days' prior written notice to the other party.

Campus Meal Plan Excess (Override)

\$24,000,000

Calculated by an estimated \$2,400,000 per year. This number does not include future price increases to the student.

"Meal Plan Excess" is the difference between the price Sodexo charges the University and the amount charged to students for the meal plan. This was estimated based on current student pricing and will vary based on the actual price charged.

Equipment Fund

\$500,000

Sodexo will spend up to \$50,000 each year for needed equipment replacement as determined by the University and Sodexo.

Holderby Hall Convenience Store \$250,000

Sodexo has historically operated this operation on a fee and subsidy basis for the University. The cost to the University has been approximately \$25,000 annually. With the new plan for this operation we have been able to eliminate the subsidy cost to Marshall saving the University a minimum of \$250,000 over the term of this contract

Presidential Catering Fund \$150,000

\$15,000 per year.

RA and RD Meal Plans

\$1,200,000

Based upon 69 participants on meal plans each year for ten years. This benefit to the University does not reflect our projected inflationary price increases though out the contract term.

This is a retail value to the University staff in excess of \$2,000,000 over ten years.

Marshall University and Sodexo Supporting the Community

A true test of partnership and commitment to the University and the Huntington community must be acknowledged and accounted for. Sodexo sponsors many department events as well as community initiatives in cooperation with the University such as *Empty Bowl* and *Super Kids Super Saturday* efforts to end hunger; the *Big Green Scholarship Foundation* efforts to support Marshall's educational mission; and The *Homeless Coalition's* efforts to provide shelter for those in need.

These sponsorships and gifts are made in support of these very important initiatives and have always had significant financial support—but more importantly—will continue to bring significant and immeasurable emotional and spiritual support to the University and the Huntington community and their citizens. We are proud to commit to continuing these efforts.

Resident Dining Plans and Pricing

Sodexo is proud to continue to deliver the extremely popular collection of Meal Plans that are currently offered on campus. These plans have been developed in partnership with the University at all levels, as well as your housing partner, Capstone. Beginning in the second year of our contract we have added plans to enhance the already extremely popular offerings currently available.

Notes and Assumptions

- Accounts Receivable shall be set at 30 days of invoice date. Client shall pay interest on any amount not
 paid when due at a rate of one and one-half percent (1.5%) each month from due date until paid.
 Interest payable is based on State of WV code.
- Sodexo shall have a minimum of 215 board days.
- We assume that the proposed renovations will be completed. We expect these new facilities will generate
 the sales that will produce the commissions and investments we have projected. See next bullet
- Sodexo realizes that the University may choose to renovate each facility in a fashion other than what we
 have proposed in this document. We commit to work with Marshall University to modify our plans and
 financial structure as appropriate to collaboratively develop the right dining services and locations for
 Marshall's campus.
- Sodexo is proud to propose a financial plan that will fund program and facility changes throughout the term of this contract, not merely in the first few years.
- The financial terms set forth in this proposal and other obligations assumed by Sodexo herein are based
 on conditions in existence on the date that Sodexo submits this proposal, including by way of example,
 Client's student population, labor, food and supply expenses; and federal, state, and local sales, use and
 excise tax.
- Sodexo has relied on representations regarding existing and future conditions made by Client in
 connection with the negotiation and execution of this proposal. In the event of change in the conditions
 or the inaccuracy or breach of, or failure to fulfill any representation by client, the financial terms and
 other obligations assumed by Sodexo shall be renegotiated on a mutually agreeable basis to reflect such
 change, inaccuracy or breach.
- Sodexo shall amortize the investments on a straight-line basis over the appropriate number of years
 commencing with the date construction/ renovation commences. Such amortization shall be charged as
 an operating expense. Client shall own the investment. If the agreement expires or is terminated prior to
 complete amortization of the investment, Client shall reimburse Sodexo within five (5) days after receipt
 by either party of any notice of termination under this agreement, the unamortized portion.
- Capital investment made by Sodexo is contingent on final terms of agreement and subsequent Capital Committee review and approval.

EXCEPTIONS LIST

Sodexo America, LLC ("Contractor") has reviewed the Request for Proposal covering the operation of Food Service for Marshall University ("Marshall") and is submitting its proposal conditioned upon the incorporation of the following modifications:

- 1. With respect to Sections 3.4.1 and 3.4.2 on page 13, Contractor requests clarification in that any approval or rejection of Contractor's employees by University shall be in accordance with Contractor's personnel policies and shall not violate any applicable state or federal laws. In addition, it shall be understood by the University that Contractor cannot prevent any employee from applying for a position that will take him/her away from the University.
- 2. Contractor requests clarification of Section 3.11 on page 20, in that any University rules or regulations with which Contractor shall be required to comply shall be provided to Contractor in writing by University.
- 3. Contractor requests clarification of Section 3.20.4 on page 41, in that the following shall apply:
 - "Sodexo's operating expenses shall be net of any rebates obtained from local vendors, suppliers, or distributors for goods procured specifically for University's account. Prompt payment discounts and any other rebates or allowances obtained from vendors, suppliers, or distribution companies, including those obtained through Sodexo's national or regional purchasing arrangements, will be retained by Sodexo." Discounts/Rebates will be given to Marshall University on contracts negotiated locally and accrued specifically for Marshall.
- 4. Contractor requests clarification of Section 3.20.6 on pages 31-32, in that the following shall apply:
 - "University understands that Contractor has entered into agreements with many vendors and suppliers of products which (i) give Contractor the right to inspect such vendors' and suppliers' plants and/or storage facilities and (ii) require such vendors and suppliers to adhere to standards to ensure the quality of the products purchased by Contractor for or on behalf of University. University shall not require Contractor to use products from non-Contractor approved vendors." Sodexo will work with the University pursuant to contractor meeting certain criteria.
- 5. Contractor requests deletion of the requirement to provide its recipes for customer review, at Sections 3.28 and 3.28.4 on page 36, in that Contractor's recipes are Contractor's proprietary information. Sodexo agrees to remove this exception
- 6. Contractor requests clarification of Section 4.1 on page 37 and Section 4.19.15 on page 46, in that Contractor shall be responsible for remittance of all <u>applicable sales tax as required of Contractor</u> in accordance with federal, state and local laws. Marshall University Financial Partnership 13

- 7. Contractor requests clarification of Sections 4.7 and 4.8 on page 39, in that any audit requested by University shall be at University's expense.
- 8. With respect to Section 4.19.2 on page 42, the Agreement Addendum (Form WV-96) referenced at Section 4.19.5 on page 43 and Section 4.19.2 on page 45, Contractor requests the following language be substituted:

"Contractor shall defend, indemnify and hold University harmless from and against all claims, liability, loss and expense, including reasonable collection expenses, attorneys' fees and court costs (collectively referred to as "Claims") which may arise because of the sole negligence, misconduct, or other fault of Contractor, its agents or employees in the performance of its obligations under this Agreement. In no event shall Contractor be liable for any Claims resulting from the negligence, misconduct, or other fault of University, its agents or employees. Notwithstanding the foregoing, with respect to property damage, for which the parties maintain a system of coverage on their respective property, each party hereto waives its rights, and the rights of its subsidiaries and affiliates, to recover from the other party hereto and its subsidiaries and affiliates for loss or damage to such party's building, equipment, improvements and other property of every kind and description resulting from fire, explosion or other cause normally covered in standard broad form property insurance policies. This clause shall survive termination of the Agreement." Sodexo agrees to remove this exception

- 9. Contractor requests modification of Section 4.19.11 on page 45, in that Contractor may, without prior written consent and without being released from any of its obligations hereunder, assign the Agreement to a wholly-owned subsidiary or affiliate of Contractor.

 Marshall University requires written notification
- 10. Contractor requests modification of Section 4.19.13 at page 45 in that, in the event of a conflict in the terms of the Agreement, the following order of precedence will apply:
 - a. Agreement negotiated and executed by the parties;
 - b. Contractor's Proposal;
 - c. University's RFP
- 11. With respect to Sections 4.19.17 and 4.19.18 on page 46 and at "Life of the Contract" on page 59, Contractor requests the following language be substituted:

"If either party breaches a material provision hereof ("Cause"), the non-breaching party shall give the other party notice of such Cause. If the Cause is remedied within ten (10) days in the case of failure to make payment when due or sixty (60) days in the case of any other Cause, the notice shall be null and void. If such Cause is not remedied within the specific period, the party giving notice shall have the right to terminate this Agreement upon expiration of such remedy period. The rights

15

of termination referred to in this Agreement are not intended to be exclusive and are in addition to any other rights or remedies available to either party at law or in equity.

Either party may terminate this Agreement at any time upon thirty (30) days' prior written notice to the other party." *Reverse the number of days to within sixty (60) for failure to make payment and ten (10) days for other cause.

12. Contractor requests clarification with respect to the Performance bond requirements at Section 5.5 on page 58 of Addendum #2, in that the following shall apply to any required bond:

Contractor will negotiate a Performance and Labor & Material bond and Maintenance Bond amount (s) reasonable to guarantee the services it will be performing when awarded the contract.

Contractor's performance bonds are written on an annually renewable basis. The bond(s) will be issued on an annual basis and is subject to review prior to renewal subsequent to the first term. No forfeiture language is allowed for Contractor's bonds. Contractor will use its surety's, Travelers, final bond form or Contractor will add the following conditional language to the contract bond requirement and to University's bond form, as follows:

"The term of the bond shall be one year, and it may be extended by the Surety by Continuation Certificate. However, neither nonrenewal by the Surety, nor the failure or inability of Contractor to file a replacement bond in the event of nonrenewal, shall itself constitute a loss recoverable under the bond or any renewal or continuation thereof."

Bonding is applicable to construction/renovation determined by project.

13. Contractor requests the following provisions be included in the resultant Agreement:

Condition of Premises and Equipment. The Premises and equipment provided by University for use in the Food Service operation shall be in good condition and maintained by University to ensure compliance with applicable laws concerning building conditions, sanitation, safety and health (including, without limitation, OSHA regulations). University agrees to indemnify Contractor against any liability or assessment, including related interest and penalties, arising from University's breach of the aforementioned obligations, and University shall pay reasonable collection expenses, attorneys' fees and court costs incurred in connection with the enforcement of such indemnity. University further agrees that any modifications or alterations to the workplace or the Premises (whether structural or non-structural) necessary to comply with any statute or governmental regulation shall be the responsibility of University and shall be at the University's expense. This provision shall survive the termination of this Agreement.

Non-Contractor Approved Vendors. University understands that Contractor has entered into agreements with many vendors and suppliers of products which (i) give Contractor the right to inspect such vendors' and suppliers' plants and/or storage facilities and (ii) require such vendors and suppliers to adhere to standards to ensure the quality of the products purchased by Contractor for or on behalf of University. University shall not require Contractor to use products from non-Contractor approved vendors. Sodexo agrees to remove this exception

Marshall University Financial Partnership

Agreement Not To Hire. University shall not, without Contractor's written consent, hire, make any agreement with, or permit the employment, in any operation providing food service, any person who has been a Contractor management employee at the Food Service within the earlier of one (1) year after said employee terminates employment with Contractor or within one (1) year after termination of this Agreement. University agrees that Contractor employees have acquired special knowledge, information, skills and contacts as a result of being employed with and trained by Contractor. This provision shall survive termination of this Agreement. Sodexo agrees to remove this exception

Trade Secrets and Proprietary Information. During the term of the Agreement, Contractor may grant to University a nonexclusive right to access certain proprietary materials of Contractor, including menus, signage, Food Service survey forms, software (both owned by and licensed to Contractor), and similar items regularly used in Contractor's business operations ("Proprietary Materials"). In addition, University may have access to certain non-public information of Contractor, including, but not limited to, recipes, management guidelines and procedures, operating manuals, personnel information, purchasing and distribution practices, pricing and bidding information, financial information, surveys and studies, and similar compilations regularly used in Contractor's business operations ("Trade Secrets"). Trade Secrets shall not include (i) any information which at the time of disclosure or discovery or thereafter is generally available to and known by the public or the relevant industry (other than as a result of a disclosure directly or indirectly by University), or (ii) any information which was available to University on a nonconfidential basis from a source other than Contractor, provided that such source was not bound by an agreement prohibiting the transmission of such information, or (iii) any information independently developed or previously known without reference to any information provided by Contractor.

University shall not disseminate any Proprietary Materials or disclose any of Contractor's Trade Secrets, directly or indirectly, during or after the term of the Agreement. University shall not photocopy or otherwise duplicate any such material without the prior written consent of Contractor. All Proprietary Materials and Trade Secrets shall remain the exclusive property of Contractor and shall be returned to Contractor immediately upon termination of the Agreement. Without limiting the foregoing, University specifically agrees that all software associated with the operation of the Food Service, including without limitation, menu systems, food production systems, accounting systems, and other software, are owned by or licensed to Contractor and not University. Furthermore, University's access or use of such software shall not create any right, title interest, or copyright in such software, and University shall not retain such software beyond the termination of the Agreement. Any signage, servicemark or trademark proprietary to Contractor shall remain the exclusive property of Contractor and shall be returned to Contractor immediately upon termination of this Agreement. In the event of any breach of this provision, Contractor shall be entitled to equitable relief, including an injunction or specific performance, in addition to all other remedies otherwise available. This provision shall survive termination of the Agreement.

ACCEPTED BY

AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

- 1. **DISPUTES** Any references in the agreement to arbitration or to the jurisdiction of any court are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
- 2. HOLD HARMLESS Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
- 3. GOVERNING LAW The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
- 4. TAXES Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
- 5. PAYMENT Any references to prepayment are deleted. Payment will be in arrears.
- INTEREST Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
- 7. RECOUPMENT Any language in the agreement waiving the Agency's right to set-off, counterclaim, recoupment, or other defense is hereby deleted.
- 8. FISCAL YEAR FUNDING Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
- 9. STATUTE OF LIMITATION Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
- SIMILAR SERVICES Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
- 11. ATTORNEY FEES The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction.

 Any other provision is invalid and considered null and void.
- 12. ASSIGNMENT Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
- 13. LIMITATION OF LIABILITY The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages to a certain dollar amount or to the amount of the agreement is hereby deleted. Limitations on special, incidental or consequential damages are acceptable. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
- 14. RIGHT TO TERMINATE Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor. Agency agrees to pay Vendor for services rendered or goods received prior to the effective date of termination.
- 15. TERMINATION CHARGES Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
- 16. RENEWAL Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
- 17. INSURANCE Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
- 18. **RIGHT TO NOTICE** Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
- 19. ACCELERATION Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
- CONFIDENTIALITY: -Any provision regarding confidentiality of the terms and conditions of the agreement is hereby deleted. State contracts
 are public records under the West Virginia Freedom of Information Act.
- 21. AMENDMENTS All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Purchasing Division and the Attorney General.

STATE OF WEST VIRGINIA Purchasing Division

PURCHASING AFFIDAVIT

VENDOR OWING A DEBT TO THE STATE:

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

West Virginia Code §21-1D-5 provides that: Any solicitation for a public improvement construction contract shall require each vendor that submits a bid for the work to submit at the same time an affidavit that the vendor has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code. A public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the West Virginia Code may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

\/andaria Nama

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and is in compliance with the requirements as stated.

1. GENERAL INFORMATION

1.1. Purpose

Marshall University herein referred to as Marshall is requesting proposals from qualified contractors to operate a comprehensive food service program on its main campus.

Marshall University is one of West Virginia's two (2) state universities and traces its origin to 1837. The University is located in Huntington, WV and currently enrolls approximately 16,000 students located on three (3) campuses.

It is essential that the University dining service program be the highest quality and that the program be managed with the maximum sensitivity to the needs and concerns of our students, faculty and staff.

1.2. Project

Marshall seeks to receive proposals from food service contractors who have demonstrated potential for providing contract board and retail food service programs that maintain high standards of service, quality food products, and financially viable operations. Contractors are encouraged to be as creative as possible in proposing a food service program that will provide a high level of customer satisfaction and contain expenses. Proposals should be thorough and as detailed as possible so the University may properly evaluate each contractor's ability to provide the specified/proposed services.

The goal of the contract is to provide the University with the best, most accurate and appropriate campus dining program.

1.3. Request for Proposal (RFP) Format

This RFP has six parts: "Part 1" contains informational sections; "Part 2" describes the operating environment of the project; "Part 3" is a statement of the specifications for the services requested pursuant to this RFP, contractual requirements, "Part 4" explains the financial requirements and general terms/conditions; "Part 5" is the financial proposal; and "Part 6" required format of the contractor's response to the RFP, criteria for selection and additional contractor responsibilities.

1.4. Inquiries

Additional information inquiries regarding specifications of the RFP must be submitted in writing to Marshall University Office of Purchasing assigned Buyer with the exception of questions regarding proposal submission which may be oral. An approved contract change order is required whenever the change affects the payment provision and/or the scope of the work. Such changes may be necessitated by new and amended Federal and State regulations and requirements. As soon as possible after receipt of a written change request from Marshall, but in no event more than thirty days thereafter, the contractor shall determine if there is an impact on price with the change requested and provide Marshall and a written statement to identifying any price impact on the contract or to state that there is no impact. In the event that price will be impacted by the change, the contractor shall, provide a description of the price increase or decrease involved in implementing the requested change.
