Attachment A

Addendum No. 01 MU21HVACSYSTS Technical Questions and Answers

Q1: On the pricing page, should Semi-Quarterly be Semi-Annual?

A1: The specifications were written according to service schedules for Annual, Semi-Annual, and Quarterly (see page 30 & 35-36). The pricing page should present that nomenclature.

Q2: Will the successful bidder be responsible for providing the electronic data from the Daikin Service Checker for the Daikin VRV Systems?

A2: The successful bidder will be responsible for servicing and reporting for all equipment within the scope of this contract. The reporting requirements are detailed in section Six pages 39 & 40 and the information reported should include, at a minimum, unit settings for temperature, occupied, unoccupied, and service data are required (reference 3.6.3 & 6.5). The vendor will need to be fully competent to access the electronic data and service the equipment. It is expected that any anomalies or deficiencies found would be reported (reference 3.1.16). How that information is collected and tools used for reporting are the responsibility of the contractor.
