SECTION 1: GENERAL INFORMATION AND INSTRUCTIONS

1.1. Introduction:

1.1.1 The Marshall University Office of Purchasing (hereinafter referred to as the “Office of Purchasing”) is issuing this solicitation as a request for proposal (“RFP”), as authorized by Marshall University Board of Governors Policy No. FA-9 Purchasing Policy, for the Division of Aviation – Bill Noe Flight School (hereinafter referred to as the “Department”) to provide temporary student accommodations within a twenty (20) mile radius of Yeager Airport, located in Charleston, WV.

1.1.2 The RFP is a procurement method in which vendors submit proposals in response to the request for proposal published by the Office of Purchasing. It requires an award to the highest scoring vendor, rather than the lowest cost vendor, based upon a technical evaluation of the vendor’s technical proposal and a cost evaluation. This is referred to as a best value procurement. Through their proposals, vendors offer a solution to the objectives, problems, or needs specified in the RFP, and define how they intend to meet (or exceed) the RFP requirements.

If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products.

This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

- 6.2. Evaluation Criteria:** Proposals will be evaluated based on criteria set forth in the solicitation and information contained in the proposals submitted in response to the solicitation. The technical evaluation will be based upon the point allocations designated below for a total of seventy (70) of the one hundred (100) points. Cost represents thirty (30) of the one hundred (100) total points.

Evaluation Point Allocation:

Project Goals and Proposed Approach (§ 4.2)	
- Approach & Methodology to Goals/Objectives (§ 4.2.1)	27 Points Possible
- Approach & Methodology to Compliance with Mandatory Project Requirements (§ 4.2.2)	28 Points Possible
Oral interview (§ 4.3)	15 Points Possible
<u>Total Technical Score:</u>	<u>70 Points Possible</u>
<u>Total Cost Score:</u>	<u>30 Points Possible</u>

Total Proposal Score: 100 Points Possible

- 6.3. Technical Bid Opening:** At the technical bid opening, the Office of Purchasing will open and announce the technical proposals received prior to the bid opening deadline. Once opened, the technical proposals will be provided to the Department evaluation committee for technical evaluation.
- 6.4. Technical Evaluation:** The Department evaluation committee will review the technical proposals, assign points where appropriate, and make a final written recommendation to the Office of Purchasing.

6.5. Proposal Disqualification:

6.5.1. Minimum Acceptable Score (“MAS”): Vendors must score a minimum of seventy (70) percent (forty-nine (49) points) of the total technical points possible in order to move past the technical evaluation and have their cost proposal evaluated. All vendor proposals not attaining the MAS will be disqualified.

6.5.2. Failure to Meet Mandatory Requirement: Vendors must meet or exceed all mandatory requirements in order to move past the technical evaluation and have their cost proposals evaluated. Proposals failing to meet one or more mandatory requirements of the RFP will be disqualified.

6.6. Cost Bid Opening: The Office of Purchasing will schedule a date and time to publicly open and announce cost proposals after technical evaluation has been completed and the Office of Purchasing has approved the technical recommendation of the evaluation committee. All cost bids received will be opened. Cost bids for disqualified proposals will be opened for record keeping purposes only and will not be evaluated or considered. Once opened, the cost proposals will be provided to the Department evaluation committee for cost evaluation.

The Office of Purchasing reserves the right to disqualify a proposal based upon deficiencies in the technical proposal even after the cost evaluation.

6.7. Cost Evaluation: The Department evaluation committee will review the cost proposals, assign points in accordance with the cost evaluation formula contained herein and make a final recommendation to the Office of Purchasing.

Cost Evaluation Formula: Each cost proposal will have points assigned using the following formula for all Vendors not disqualified during the technical evaluation. The lowest cost of all proposals is divided by the cost of the proposal being evaluated to generate a cost score percentage. That percentage is then multiplied by the points attributable to the cost proposal to determine the number of points allocated to the cost proposal being evaluated.

Step 1: $\text{Lowest Cost of All Proposals} / \text{Cost of Proposal Being Evaluated} = \text{Cost Score Percentage}$

Step 2: $\text{Cost Score Percentage} \times \text{Points Allocated to Cost Proposal} = \text{Total Cost Score}$

Example:

Proposal 1 Cost is \$1,000,000

Proposal 2 Cost is \$1,100,000

Points Allocated to Cost Proposal is 30

Proposal 1: Step 1 – $\$1,000,000 / \$1,000,000 = \text{Cost Score Percentage of } 1 \text{ (100\%)}$
 Step 2 – $1 \times 30 = \text{Total Cost Score of } 30$

Proposal 2: Step 1– $\$1,000,000 / \$1,100,000 = \text{Cost Score Percentage of } 0.909091 \text{ (90.9091\%)}$
 Step 2 – $0.909091 \times 30 = \text{Total Cost Score of } 27.27273$

6.8. Availability of Information: Proposal submissions become public and are available for review immediately after opening pursuant to West Virginia Code §5A-3-11(h). All other information associated with the RFP, including but not limited to, technical scores and reasons for disqualification, will not be available until after the contract has been awarded pursuant to West Virginia Code of State Rules §148-1-6.3.d.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code §61-5-3*) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
