1. Has any previous design or programming information been completed for the new College of Business and can that information be shared?

There has been renderings and a partial programming study by Bastian and Harris.

2. Is there a site map for the potential Greek Housing project on campus that could potentially be constructed as future potential revenue source?

There is no defined site map for the potential Greek Housing project. The University is interested in exploring all available options. There are available spaces owned by the University that may serve as possible locations, the former Laidley Hall, land next to Harless Dining Hall or other locations.

3. As I read through the RFPQ, I wanted to confirm that you are looking for a qualifications submission to not only include design, but also financing and development team qualifications?

Yes, that is correct.
