The Constitution of the Marshall University Faculty

PREAMBLE

Universities striving for excellence historically and traditionally have enjoyed the autonomy and integrity necessary to accomplish their mission as institutions of higher learning committed to the search for and dissemination of knowledge and truth—and so it has been, and must continue to be, at Marshall University. It is recognized that the legal authority to guide and regulate the University is vested by the West Virginia Legislature in the West Virginia Higher Education Policy Commission, the Marshall University Institutional Board of Governors and the President of the University. It is further recognized that the West Virginia Higher Education Policy Commission and Marshall University Institutional Board of Governors grant autonomy to the colleges and universities under their jurisdiction. The West Virginia Legislature has also established that each institution of higher education shall have an institutional faculty senate. As a corollary of academic freedom, the faculty has the major responsibility for guiding the scholarly pursuits of the University. To that end, this constitution is established to facilitate meaningful communication throughout the academic community and to assist the University President, the West Virginia Higher Education Policy Commission, and Marshall University Institutional Board of Governors in the development of academic policies and procedures.

ARTICLE I – THE FACULTY

The faculty is a legislative body of Marshall University and has the authority to concern itself with topics affecting the whole university. This authority is delegated to the Faculty Senate, which is the representative body duly elected by and from the faculty. The Faculty Senate is empowered to act on behalf of the faculty on questions and issues properly brought before it by the faculty of any college, school, or component of the university. Marshall University is committed to providing equality of opportunity and treatment; therefore, the Faculty Senate and any committee operating under its authority do not discriminate on the basis of race, color, gender, age, religion, national origin, handicap, or sexual orientation.

ARTICLE II – THE FACULTY SENATE: PURPOSES—POWERS—FUNCTIONS

Section 1. The Faculty Senate shall take within its province any subject of interest to the faculty, the administration, and the student body. With respect to the general welfare of the university, the Faculty Senate shall serve as the major legislative, advisory, and review body of the faculty. It shall investigate, debate, and communicate to the faculty those matters deemed to be in the best interests of the university. Academic policy decisions, or matters construed to impinge on the academic decisions, shall be the primary responsibility of the Faculty Senate. The faculty may call a referendum upon any of the actions of the Faculty Senate. Actions of the Faculty Senate shall become the policy of the institution unless for serious and compelling reasons the University President rejects in writing such actions within fifteen working days following submission by the Faculty Senate. All measures receiving presidential approval, or which, are not specifically rejected by the University President, shall be considered binding subject to the final approval, if necessary, of the West Virginia Higher Education Policy Commission and the Marshall University Institutional Board of Governors.
Section 2. Legislative Function. As the faculty legislative body, the Faculty Senate shall exercise authority over all matters that pertain to academic policies of the university, including instruction, research, and continuing education. Affairs of the university which directly and primarily affect the faculty include, but are not limited to, determination of curricula, standards of admission and selection, retention and transfer of students, scholarships and honors, requirements for the granting of degrees, candidates for honorary degrees, instructional standards throughout the university, and matters of the faculty welfare. The Faculty Senate shall be responsible for developing policy with regard to major issues which affect the institution, such as, change in the mission of the university, addition or deletion of programs, contracts with government agencies, and public questions which affect the role of the institution or endanger the principle of academic freedom. The Faculty Senate shall be responsible for maintaining communications between the faculty and the administration, the student body, and the staff. It shall establish rules and procedures for standing committees and shall be responsible for overseeing the election of Faculty Senate members. All standing committee actions, with the specific exceptions detailed in this constitution shall be subject to review, amendment, approval or rejection by the Faculty Senate.

Section 3. Advisory Function. The Faculty Senate shall serve in an advisory capacity to the university community and administration. Matters which directly or indirectly affect the general welfare of the institution include, but are not limited to, student life, such as standards of conduct, living conditions, organizations, intercollegiate athletics, and participation in extracurricular activities; the academic calendar; and university convocations, lectures, press releases, and radio and television broadcasts.

The Faculty Senate shall be available to advise the West Virginia Higher Education Policy Commission and the Marshall University Institutional Board of Governors on the appointment of the University President and to advise the University President on the appointment of university-wide administrative officials. It shall advise the administration on policies with respect to the preparation of the annual budget and its allocation to operational units; equipment and physical facilities; official university and student publications; the academic structure and governance system; and the mission, goals, and objectives of the university.

Section 4. Review Function. The Faculty Senate shall be empowered to review all policies and to formulate recommendations with respect to the general welfare of the university. Matters directly affecting the faculty include, but are not limited to, academic freedom, tenure, and promotions; appointments, reappointments and dismissals; teaching loads; salary schedules or other compensation or benefits; policies governing stability of employment, retirement, sabbatical or other leaves; and the reorganization of academic units.

The Faculty Senate shall also be empowered to review programs of research, experimentation, and instruction; grading systems and trends; instructional evaluation; and policies and administration of the university libraries. It shall also review the academic conduct of students, including means for handling infractions. The Faculty Senate shall be responsible for the investigation and conducting of hearings on grievances from members of the faculty and student body, except for those covered by the various West Virginia Higher Education Policy Commission and the Marshall University Institutional Board of Governors policy bulletins or
those under the jurisdiction of other committees; it shall report the findings and make recommendations to the appropriate parties. The Advisory Council of Faculty (ACF) representative reports to the Faculty Senate on meetings of the ACF and/or the Marshall University Institutional Board of Governors.

Section 5. Provisions of the Senate. The Faculty Senate shall be provided with an appropriate budget, office space, adequate secretarial support, and release time for the Faculty Senate Chair.

ARTICLE III – MEMBERSHIP AND ELECTION

Section 1. The Faculty Senate shall consist of one (1) senator for each academic unit, unless otherwise specified, plus one (1) senator for each thirteen (13) full-time faculty members, plus one (1) additional member if the number of full-time faculty in a unit exceeds a multiple of thirteen by seven (7) or more. Ex-officio voting members will be the Faculty Council President of the Marshall Community & Technical College and the Advisory Council of Faculty (ACF) representative. The term "academic unit" is defined in the bylaws. Individual constituency numbers for calculating representation shall be based upon the number of full-time faculty presented every second year to the Executive Committee of the Faculty Senate in the fall semester preceding Faculty Senate elections. Census information will be provided by the Office of Institutional Research in collaboration with the Provost and the Vice President for Health Services. In addition, South Charleston faculty will elect two (2) at-large senators.

Section 2. All faculty involved in apportionment calculations shall hold the rank of instructor or above and shall devote at least one-half of their time to teaching, scholarly research, or closely related duties. Eligible librarians shall hold a professional librarian's degree or the equivalent. All such faculty shall be eligible for election to office. Part-time faculty, adjunct faculty, and those designated as "clinical" or "research" in their faculty titles shall not be considered as faculty members for the purpose of this document and organization. For the purposes of determining voting and serving on the Faculty Senate, the above description shall apply. Those holding the titles of President, Vice President, Assistant/Associate Vice President, Dean, Assistant/Associate Dean, Director, Assistant/Associate Director, and Dean of Libraries shall be ineligible to serve on the Faculty Senate. The Executive Committee of the Faculty Senate is empowered to decide questions that arise concerning definition of faculty.

Section 3. The term of office for a senator shall be two (2) years. Senators can serve no more than four (4) consecutive terms.

Section 4. Elections for senators shall occur annually in April of even-numbered years, with the names of the new senators submitted by the Dean or Director of each unit to the Chair of the Faculty Senate by May 1. Each unit shall conduct its own election according to the bylaws of that unit, providing that all voting shall be by secret ballot. Initial implementations of this constitution shall require the election within each unit of Faculty Senate members for staggered terms. Faculty members in each unit will determine how their senator's terms will be staggered.

Section 5. If a senator misses more than three (3) regular meetings in any academic year, his/her seat will be declared vacant by the Faculty Senate Chair, who will immediately report the
vacancy to the Dean or Director of the appropriate unit. Within two weeks the Dean or Director shall call for nominations and the election of a faculty member to fill the vacated seat.

**Section 6.** Temporary senators will be elected by a unit if a seat is vacated for one academic year or less due to leaves of absence, sabbaticals, incapacity, or other reason. If a senator will be unable to fulfill his/her responsibilities and duties to the Faculty Senate for longer than one academic year, he/she must resign. Temporary senators will have all the privileges of Faculty Senate membership, though they can serve no longer than one academic year.

**ARTICLE IV – MEETINGS**

**Section 1.** The Faculty Senate shall meet quarterly and may meet at such other times as called by the chairperson or by a majority of the members during the regular academic year. Special sessions of the Faculty Senate will be called at the request of ten (10) or more faculty members. Special sessions will be held as soon as practicable within two (2) weeks from the date they are called. The responsibility for notifying senators and faculty members of special sessions shall rest with the Faculty Senate Chair who shall use the most appropriate means available to fulfill this obligation. A written announcement of the agenda, time and place of every regularly scheduled Faculty Senate meeting shall be sent to each senator one week in advance of the meeting.

**Section 2.** A quorum shall be a simple majority (50% plus one) of the voting Faculty Senate members.

The minutes will also be sent to each Dean, to each faculty member upon request, and the presidents of both the Student Government Association and Graduate Student Council.

**Section 5. Rules of Procedure.** The parliamentary authority of the Faculty Senate shall be the latest edition of Robert's Rules of Order.

**Section 6.** Faculty Senate meetings are open to the public except in those cases where executive sessions are permitted by West Virginia statute (6-9A-4). No decision shall be made in any executive session of the Faculty Senate. If any student, administrator or non-senate faculty member wishes to speak to an issue, he/she will be recognized and allowed to speak briefly. If any non-senator wishes to speak for a longer period of time, he/she should request agenda time prior to the meeting.

**Section 7.** The University President shall meet at least quarterly with the Faculty Senate to discuss matters affecting faculty and the effective and efficient management of the institution.

Section 2. An amendment to the constitution may be proposed by ten (10) percent of the faculty or by a majority vote of the Faculty Senate. All proposed amendments must be submitted to the faculty for its approval. The ratification of an amendment requires the approval of a two-third (2/3) majority of those voting.

Section 3. Any proposed amendment shall be distributed to every member of the faculty at least two weeks before a regular or special meeting of the faculty at which the amendment will be discussed. Opportunity for debate shall be provided for every proposed amendment.

ARTICLE VI – STANDING COMMITTEES

Section 1. The Marshall University Faculty Senate system shall include, in addition to the Faculty Senate itself, standing committees. One of these is designated the Executive Committee of the Faculty Senate and shall function as part of the Faculty Senate. The other committees work in cooperation with, but are distinctly separate from the Faculty Senate. With the exception of the Executive Committee, the membership, officers, and relationships of the standing committees to the Faculty Senate are as follows.

Section 2. Membership. The membership of standing committees, unless otherwise specified, shall include one senator appointed by the Faculty Senate Chair to serve a two-year term. This member shall be the “Liaison.” This appointment may be renewed for one additional consecutive term. Other membership shall consist of one member elected by the faculties of each academic unit as defined in Bylaw #14. One undergraduate student, appointed by the Student Government Association, will also serve with exceptions as noted. This shall be the voting membership of the committees. Ex-officio, nonvoting members will be designated according to each committee's nature and functions. The length of faculty membership on committees shall be four (4) years. Faculty members may serve no more than two consecutive terms on any one standing committee and may not serve on any two standing committees simultaneously.

Section 3. Officers. Officers of the standing committees will be a chair and a recording secretary. The chairs of the committees and the recording secretaries will be elected by the voting members of their standing committees. The terms of office shall be one (1) year, and may be renewed up to a maximum of four (4) successive terms (i.e., four years). The committee may
remove an officer by a "motion to rescind the election." The successor of an officer removed in this manner shall serve until the next regularly scheduled election for that office. The chair is responsible for establishing the committee's agenda with the assistance of the recording secretary; presiding over committee meetings; and reporting committee actions to the Faculty Senate. The chair shall also notify all committee members of the Faculty Senate's response to committee actions. Section 4.
A. Committee-Senate Relationship. Standing committees shall meet of their own accord; or when requested to by the Faculty Senate Chair, the Executive Committee, or the Faculty Senate. All actions, with the exceptions as noted, taken by Standing Committees shall be subject to final review and approval by the Faculty Senate. In the event the Faculty Senate does not concur with committee actions, a full and detailed rationale must be provided in writing.

B. Quorum Requirements in Standing Committees. A quorum shall consist of a simple majority (50% plus one) of the voting members.

Section 5. The Executive Committee

They shall be nominated and elected by the Faculty Senate by secret ballot at a special spring meeting of the newly constituted Faculty Senate (i.e., those who will comprise the Faculty Senate during the next academic year). Terms of office shall be two (2) years. Officers shall serve no more than two (2) consecutive terms in their respective positions. The Faculty Senate may remove an officer by a "motion to rescind the election." The successor of an officer removed in this manner
shall serve until the next regularly scheduled election for that office. No two officers shall be
from the same academic unit at any time except as provided in Article VI, Section 5G.

D. Other members. All other voting members of the Executive Committee shall be nominated
and elected by the Faculty Senate at the same special spring meeting of the newly constituted
Faculty Senate, after the election of officers. The terms of office shall be two (2) years. No
voting member of the Executive Committee may serve more than two consecutive terms. Non-
officers shall be selected so as to represent those academic units not represented by the officers.

E. Powers and Functions. The Chair shall preside over Faculty Senate meetings; preside over
general faculty meetings; preside over Executive Committee meetings; establish the agenda for
Executive Committee meetings in cooperation with other officers; and confer with the University

The Graduate Council shall meet of its own accord, elect its own officers, determine its own committee and subcommittee structure(s), and have authority over other such matters as relate to its operation.

Section 2. Powers and Functions. The primary responsibility of the Graduate Council is to make policy recommendations with respect to the graduate education mission of the university to the University President. Specific functions include the facilitation of long range planning for graduate education at Marshall University, the recommendation of new programs and courses, the evaluation of existing programs and courses, the facilitation of graduate accreditation, the recommendation of promotion and tenure policies related to graduate education, and the recommendation of approval of graduate faculty to the University President.

Section 3. Membership. Voting representation on the Graduate Council shall include seven individuals from the South Charleston campus [four (4) faculty members elected at large, one (1) faculty member from CITE, one librarian with faculty rank, and a Faculty Senate Liaison*], nine individuals from the Huntington campus (one representative each from the Lewis College of Business, the College of Education and Human Services, the College of Fine Arts, the College of Liberal Arts, the College of Science, the School of Journalism and Mass Communications, the College of Health Professions, the School of Medicine, and the Faculty Senate Chair*), and one graduate student representative elected at-large. Ex-officio, nonvoting members include the Dean of the Graduate College, the Provost, the Vice President for Graduate Studies, and the Vice President of Research. (*In the event the Faculty Senate Chair is from the South Charleston campus, the Faculty Senate Liaison will be elected from the Huntington campus.)

Section 4. Elections and Terms. Each voting Graduate Council member’s term (other than the graduate student representative) shall be four years. Elections for voting members (other than the graduate student representative) shall occur in the spring of even-numbered years to coincide with Faculty Senate elections. The graduate student representative shall have a one-year term with election each spring. Voting members may serve no more than two consecutive terms. The bylaws of the Graduate Council determine additional procedures and policies as needed regarding elections, terms, attendance requirements, interim members, standing committees, vacancies, and so forth, and may be revised and clarified as needed by the Graduate Council.

Section 5. Graduate Council-Senate Relationship. All actions taken by the Graduate Council with respect to the functions specified in Article VII, Section 2 shall be submitted directly to the University President or the President’s designee for approval. All such actions shall be communicated to the Faculty Senate. On matters not related to those functions, the Graduate
Council and Faculty Senate will work collaboratively in whatever format is deemed appropriate by the respective Executive Committees. Refer to the “Faculty Governance Flow Chart” at the end of the Bylaws Section.

ARTICLE VIII – POWERS OF THE FACULTY

Section 1. The faculty of Marshall University, acting as a body, shall retain final authority over policies governing the Faculty Senate and the faculty. Recognizing the powers it has entrusted to the Faculty Senate, it shall not act in a capricious or arbitrary manner regarding actions and legislation undertaken by the Faculty Senate.

Section 2. Meetings. There will be at least two meetings of the general faculty per year. Under the emergency powers of the faculty there may be additional faculty meetings not later than ten (10) days from the time they are requested. The Faculty Senate will call for faculty meetings upon the petition of ten percent (10%) of the full-time faculty. The Faculty Senate may call for a meeting of the faculty at the request of two-thirds (2/3) of the voting Faculty Senate members present. The Executive Committee of the Faculty Senate may call for an emergency meeting of the faculty. The University President may call for a meeting of the faculty.

Section 3. Officers. The officers of the Faculty Senate shall preside and function at meetings of the faculty.

Section 4. The faculty's actions are the highest order. In case of any conflict in actions of the faculty and the Faculty Senate, the faculty shall prevail. However, to override the Faculty Senate actions there must be the approval of a simple majority of the faculty voting, with one-third (1/3) of the faculty participating in the vote.

Section 5. Either the faculty or the Faculty Senate may present referenda for the faculty to consider and vote on. The voting process shall be the same as outlined in Bylaw #1.

ARTICLE IX – BYLAWS

The Faculty Senate may by majority vote establish bylaws, not inconsistent with this constitution, governing the conduct of the business of the Faculty Senate and of the standing committees and any other matters that may be within its competence.

Bylaw #1 - The Recording Secretary of the Faculty Senate, who is also the Secretary of Faculty, will oversee the composition, duplication, distribution, collection, tabulation, and reporting of all university-wide balloting. She/he will follow the procedural guidelines for either Section A – Paper Ballot or Section B – Electronic Ballot as determined by the Executive Committee of the Faculty Senate.
Section A – Paper Ballot - Passed September 17, 1987, Amended May 7, 2004

1. The ballot will be typed, duplicated and distributed to all faculty by the Faculty Senate Recording Secretary. If a faculty member does not receive a ballot he/she should contact the Faculty Senate office immediately.

2. Ballots may be cast by either:
   a. Depositing them in the ballot box in the Faculty Senate office with faculty signing their names on a list located beside the box, or
   b. Using two envelopes. Insert the ballot into one envelope then seal, sign, and mark it “Ballot”. Insert the ballot envelope into the second envelope that should be addressed and sent to the Chair of the Faculty Senate.

3. The ballot box will be sealed by the Faculty Senate Recording Secretary when the balloting is complete. The following rules will govern vote tabulations:
   a. Tellers or counters will be selected at random by the Faculty Senate Recording Secretary from members of university colleges and schools. On controversial issues, parties with opposing views may be asked to count ballots.
   b. Two (2) to four (4) people will be selected as tellers or counters at the discretion of the Faculty Senate Recording Secretary. The number of counters will depend on the length of the ballot.
   c. A time for tabulation will be selected by the Faculty Senate Recording Secretary along with the selected counters.
   d. Parties with a vested interest in the election may observe the counting and tabulation in a non-disruptive, non-interruptive manner.
   e. All ballots and paper work will be retained for a calendar year then destroyed.

4. The Recording Secretary of the Faculty Senate will notify those people winning the election and will make an announcement of the results of the election.

Section B – Electronic Ballot (E-Voting) – Passed May 7, 2004

1. E-Voting will involve using the campus computer network, which requires a secure log-in, and secure voting software that is approved by the Faculty Senate. The ballot items shall be developed by the E-Voting Administrator and the Faculty Senate Recording Secretary in consultation with computing services personnel.

2. The E-Voting Administrator will send election announcements and instructions for using the E-Voting system to all eligible faculty. This announcement will include the content of the ballot.

3. The Faculty Senate Chair will determine appropriate parameters for each election.

4. The vote can be cast through the Marshall University computer network.

5. If a voter experiences technical difficulties or needs assistance of any kind, they should contact the E-Voting Administrator immediately.

6. The results of the election will be announced by the Recording Secretary of the Faculty Senate.

Bylaw #2 - Passed October 29, 1987; Amended January 31, 1991: Article VI, Section 10. A. of the Faculty Constitution advises the Faculty Personnel Committee as follows: "When the committee handles matters of a confidential nature, it will not share its findings with the Faculty
Senate." This admonition also applies to all Standing Committees who at some time might find themselves discussing matters and making motions of a confidential nature. The standing committee will report the discussions and any motions to the Executive Committee which in turn will determine whether such motions or recommendations should be presented to the Faculty Senate or forwarded directly to the appropriate administrator.

Bylaw #3 – Passed October 29, 1987: If a member of a standing committee misses more than three (3) regular meetings in any academic year, his/her seat may be declared vacant by the chairperson of that committee, who will immediately report the vacancy to the Faculty Senate Chair and the Dean or Director shall call for nominations and the election of a faculty member to fill the vacated seat. The Dean or Director will then report in writing to the committee chair and to the Faculty Senate Chair the name of the new committee member.

Bylaw #4 – Passed February 23, 1988; Amended February 28, 1991: Faculty appointments to university-wide committees, except those already provided for in the constitution, including but not limited to search committees, and external faculty to college committees shall be made by the Faculty Senate Chair with the advice and consent of the Executive Committee of the Faculty Senate.

Bylaw #5 – Passed March 29, 1988: Once a recommendation is submitted to the University President from the Faculty Senate, it must be considered in toto for his/her approval. If any one part is not acceptable, the entire recommendation must be returned to the Faculty Senate along with an explanation for its disapproval. The Faculty Senate then has the responsibility to determine subsequent action with regard to its disposition.

Bylaw #6 – Passed September 8, 1988: When faculty members are named as acting or interim administrators, they shall be temporarily replaced on standing committees or in the Faculty Senate for the length of time that they serve in the administrative capacity.

Bylaw #7 – Passed September 8, 1988: That the turnover time of the Faculty Senate Chair, standing committee officers and Marshall University Institutional Board of Governors faculty representative will be at the beginning of the Fall semester although they are elected in the Spring.

Bylaw #8 – Passed September 8, 1988: When vacancies occur on standing committees, colleges have the option of shifting committee members to find the most appropriate members for that committee.

Bylaw #9 – Passed January 25, 1990: Faculty Senate meetings will be audio taped and the tapes will be made available to all members of the faculty but only in the Faculty Senate Office. All listening is to be done there.

Bylaw #10 – Passed March 29, 1990: When a motion is defeated in the Faculty Senate, it is referred back to the committee or person submitting it along with a summary of the discussion preceding the vote in order to provide an explanation for its rejection. In addition, a copy of the defeated motion is sent to the University President for informational purposes.
Bylaw #11 – Passed March 29, 1990: The following guidelines will govern any open forum in the Faculty Senate.

1. Executive Committee approves/disapproves any requests.
2. Executive Committee decides length of presentation.
3. Presiding officer controls the Faculty Senate floor with assistance of the Parliamentarian.

Bylaw #12 – Passed February 28, 1991: The University Functions Committee will submit its recommendations for honorary degree recipients and commencement speaker for Faculty Senate consideration by November 1. (This Bylaw will become effective 1992.)

Bylaw #14 – Passed March 28, 2002: The term academic unit is defined as the Elizabeth McDowell Lewis College of Business, the College of Education & Human Services, the College of Fine Arts, the College of Liberal Arts, the College of Health Professions, the College of Science, the Joan C. Edwards School of Medicine, the W. Page Pitt School of Journalism & Mass Communications, the College of Information Technology & Engineering, and the Marshall University Libraries.

Bylaw #15 – Passed October 9, 2002: The Marshall Community & Technical College will have one (1) elected ex-officio voting member on the following standing committees: Budget and Academic Policy, Faculty Development, Library, Physical Facilities & Planning, and Student Conduct & Welfare. The length of faculty membership shall be four (4) years and faculty may serve no more than two (2) consecutive terms on any one of the listed committees. Faculty may not serve on any two of the listed committees simultaneously.

2005-06 Faculty Senate Annual Report  Page 25
The Faculty Senate is composed of 61 voting members who serve a two-year term that will expire in 2006 or 2008. Refer to *The Constitution of the Marshall University Faculty* for a description of the Faculty Senate’s duties. The Faculty Senate met ten times.

The office of Institutional Research prepared faculty apportionment calculations (on file in the Faculty Senate office) for the purpose of determining Faculty Senate representation for 2006-08. The report resulted in the following changes: The total number of senators for the 2006-08 term is 58, a reduction of three; the College of Education & Human Services representation increased by two for a total of eight; the College of Liberal Arts representation increased by one for a total of 11; the Joan C. Edwards School of Medicine representation decreased by six for a total of nine; the W. Page Pitt School of Journalism & Mass Communications representation decreased by one for a total of one; and the College of Information Technology & Engineering increased by one for a total of two.

In spring 2006 each area of representation held elections for the 2006-08 term. A special meeting for the newly elected and continuing senators was held for the purpose of electing officers. Those elected to officer positions were: Dr. Larry Stickler, Chair; Dr. Kenneth Guyer, Assistant Chair; and Dr. Clayton Brooks, Recording Secretary. Dr. Cheryl Brown will serve as Parliamentarian.
The Standing Committees

There are 13 Standing Committees of the Faculty Senate (including the Executive Committee) with a membership of one Liaison Senator appointed by the Chair of the Faculty Senate whose term is for two years and which may be renewed for one additional consecutive term; and one member elected by the faculty of each academic unit who serves a four year term and may be re-elected for one additional consecutive term. The membership may also consist of one or more representatives from the Student Government Association, the Graduate Student Council, and the Classified Staff Council. Ex-officio, nonvoting memberships are determined according to each committee’s nature and function as described in *The Constitution of the Marshall University Faculty*.

Below is a listing of the Standing Committee rosters and a description of activities for this year. Term expiration designated as 200X^2 denotes serving a second term.
