Additional Information Required for Undergraduate Course Change

College: CITE Department/Division: Engineering & CS Current Alpha Designator/Number: CVLE421

Rationale for changes:

During 2008-2009, the CVLE designator was changed to CE; this change was approved by the UCC (3/21/2008 MEETING), Faculty Senate (sr-07-08-(33) 64 CC), and the President (5/12/08).

This change was implemented to distinguish courses formerly offered under an agreement with WVU-Tech from courses offered as part of the MU BSE degree program. The WVU-Tech collaboration has been terminated and the CVLE designator is obsolete. However, due to an oversight CVLE421 was not included in the original list of courses. This course change form is being submitted to rectify the oversight.
