

College of Liberal Arts
Office of the Dean

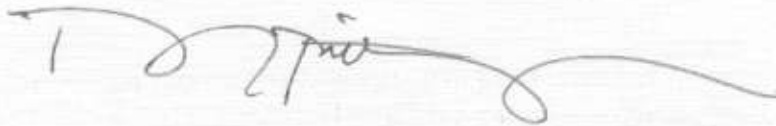

February 3, 2009

Dr. Susan Jackson, Chair
Academic Planning Committee
Marshall University
One John Marshall Drive
Huntington, WV 25755

Dear Dr. Jackson:

I respectfully request the termination of the Bachelor of Arts degree in Multidisciplinary Studies. The program has no students and no likely prospect for new students. Moreover, the program has no current faculty "ownership" and does not fit within any strategic plan for the college. As such, the degree should be removed from those available to Marshall University Students.

Regards,

David J. Pittenger, Dean
College of Liberal Arts
