

# Marshall University Undergraduate Student 2014-15 Satisfactory Academic Progress (SAP) Appeal for Financial Aid Reinstatement

SAP5FA SAP5SP SAP5SU

## **Instructions:**

This form may only be accepted if you are an admitted Marshall University student. If you were a previous Marshall University student and have taken courses at another college or university, you must have your official academic transcript from your other institution forwarded to the Office of Admissions. In addition, you must contact the Office of Admissions to determine whether you are required to formally reapply for admission. Reinstatement of enrollment to Marshall University after a subsequent academic or disciplinary suspension does not exempt students who are not meeting SAP standards from submitting this appeal. The Financial Aid SAP Appeal process is a separate and distinct process that pertains specifically to financial aid eligibility.

This form may only be accepted if it is typed, includes required documentation, and is signed by you and your academic advisor or dean. You are required to review and discuss your prepared SAP Appeal for Financial Aid Reinstatement with your academic advisor or dean and it is your responsibility once it is signed to submit it to the Office of Student Financial Assistance by the required deadline for the semester or term you are appealing.

You may only submit one appeal per semester or term by the published SAP Appeal deadlines.

Semester/Term	Date
Fall Semester	One week prior to the first day of classes (for 2014-15, August 18, 2014)
Spring Semester	One week prior to the first day of classes (for 2014-15, January 5, 2015)
Summer Terms	June 30 (for 2014-15, June 30, 2015)

The SAP Appeals Committee typically renders a decision within two weeks upon receipt of the appeal; however, if the appeal is submitted before your recently taken course grades are reflected on your Marshall University academic transcript, the decision of the committee may take longer.

If your appeal is approved, your reinstatement of financial aid for one semester or term may have conditional requirements. In addition, if your appeal is approved, you will be required to meet requirements of an Academic Plan, which, if followed, will allow you to continue to receive financial aid if all other conditions are met. In this instance, you will be assigned a status called "Financial Aid Probation."
