

2013-14 Verification of Receipt of SNAP Benefits

You are required to complete this form because you (or your parent) indicated someone in the household received Supplemental Nutrition Assistance Program (SNAP) benefits, previously known as Food Stamps, in 2011 or 2012 on the 2013-14 Free Application for Federal Student Aid (FAFSA) and you were selected by either the Department of Education or the Office of Student Financial Assistance to verify this.

If this office has reason to believe the information regarding the receipt of SNAP benefits is inaccurate, you may be required to submit documentation from the agency that issued the benefits in 2011 or 2012.
