

REGION 1 NCAA RECRUITING SEMINAR

Why do we offer this?

Every year countless incoming High School seniors start sending off their player profile and they get a response that the program has finished up with their recruiting class for that year.

Many juniors have dreams of playing at the next level but they don't know how to find what the next level is for them and explore all the possibilities.

Sophomores think it's too early for me to be thinking about what my goals are for soccer

Freshmen are worried I don't have anything to put on my profile and are more concerned with making Varsity or the Premier Team.

What to expect.

We will be going over all NCAA Rules and Regulations to help you get the best out of your recruiting options. We will be talking about

- NCAA Rules and Regulations
- NCAA Clearing House
- What to look for in Programs
- How to Market yourself
- How to make a profile
- Do and Don't about contacts
- What is my time line for Division I
- When/How can a school contact me
- What question do I ask

**Recruiting Seminar Director
Kevin Long**

Marshall University Women's Head Coach

Region I Senior Staff member

Kevin Long enters his third season as the Thundering Herd's head coach and 11th season as a head coach. In his first two seasons at Marshall, Long has led the women to a 17-17-4 record. With the addition of Long's first recruiting class the Herd posted a 12-7 record, its highest win total in program history, as well as going 5-6 in Conference-USA, its best production since joining the conference in 2002 and falling one game short of its first-ever C-USA tournament appearance. Long continues as an Olympic Development Program (ODP) Region I Senior Staff member where he coaches and trains teams to compete at the national level. Additional duties as senior staff member include selecting the regional team, training, coaching in competitions and promoting players to the national level in the Under-14 age group. In March 2008, he took an ODP 17-18 year-old elite women's squad to Russia to compete against teams from Poland, Russia and Ukraine. Long guided his team to defeat Russia twice and won its bracket to advance to the semifinal round. His squad took the Bronze Championship
