

Green Trail SELFIE Scavenger Hunt – 2015

INSTRUCTIONS

The new MU Green Trail project and the MU Sustainability Department invite you to participate in our Green Trail SELFIE Scavenger Hunt. To participate, you must first register online at www.marshall.edu/sustainability. Once registered, follow the below instructions. At the end of your scavenger hunt, you should have collected 22 selfie photos. Post your photo collection on our Facebook page at: www.facebook.com/greentrailselfiescavengerhunt. The first 20 participants to successfully complete our green trail “selfie” scavenger hunt will win a t-shirt and prizes.

1. **Outdoor Classroom: Between Old Main and Memorial Student Center**
 - Take a selfie of you sitting and studying at the Outdoor Classroom (*Picture 1*)
2. **Oasis water fill stations: Memorial Student Center**
 - Take a selfie of you refilling a water bottle at the water station, which are located in many buildings throughout campus (*Picture 2*)
3. **Marshall University Foundation Hall:**
 - The MU Foundation Hall was built using a number of environmental and energy conservation methods.
 - Take a selfie of you next to the Foundation Hall sign (*Picture 3*).
4. **Student Gardens: Behind Career Services**
 - Identify a plant, write the name down on a piece of paper
 - Take a selfie of you with that plant and that piece of paper (*Picture 4*)
5. **VIP Garden: Behind Career Services**
 - VIP means “Very Important Pollinator”
 - Take a selfie of you at the VIP garden (*Picture 5*)
6. **Rain Garden: Harless Dining Hall**
 - Take a selfie of you at the Rain Garden behind the Harless Dining Hall, SE corner (*Picture 6*)
7. **Composting/EPA Food Recovery Challenge:**
 - Take a selfie at the Harless Dining Hall, where vegetable waste is collected and composted at a local farm. (*Picture 7*)
8. **Trayless Dining: Towers Market Place**
 - Take a selfie at the Towers Market Place Hall, where Trayless Dining helps to minimize food waste. (*Picture 8*)
9. **Eco Cycle Bike Loan Program: MU Recreation Center**
 - Take a selfie of you with an Eco Cycle bike (*Picture 9*)
 - Go inside to the Rec Center desk and get your free item from the MU Sustainability Department (Only 20 items available, so first come first serve)
10. **Bike Racks: MU Recreation Center**
 - Take a selfie of you next to any of our campus bike racks (*Picture 10*)
11. **Recycling Bins:**
 - Take a selfie of you holding a recyclable item as you place it in a campus recycling bin, which are located throughout campus (*Picture 11*)
 - Make sure your recyclable item is of the correct type, including:
 - Aluminum cans, tin cans
 - Plastic type 1 or 2
 - Newspaper, cardboard, magazines

12. Monarch Butterfly Waystation: NW Corner of Buskirk Residence

- Take a selfie of you at the Monarch Butterfly Waystation (*Picture 12*)
