## Collier's Corner

Dear UB Students,

Where did the summer go? If you are like me, I am having a hard time letting go of it!

The Summer Program of 2015 is now history, but such a huge success! Everyone worked hard academically and, not to brag, but we did come in Third Place in the state on Upward Bound Day at Salem International University! **Go Marshall UB!** Feel free to stop by my office any time to see our shiny trophy. We made some great memories during the five weeks on Marshall's campus and topped it off with an unbelievable trip to New York City! Anyone want to go back to the Big Apple next year? By the way, Summer Books will be available for our September activity!

I love this time of year! The days are warm but with a hint of fall around the corner! Apple cider, cinnamon smells, pumpkins, ostentatious leaves, football, and soccer are just a few things that get me excited about September, October, and November!

The school visits have been placed on the calendar, and I am looking forward to catching up with all of you! Each UB participant will be given a student planner to help you be more successful this semester! Please take time to check out the Activities Calendar so you can make plans now to attend each event! Text me if you have any questions or need anything before I come for our first scheduled visit. Also, I am waiting for ACT and SAT waivers to be shipped!

The UB staff is looking forward to a great academic year! Please encourage your friends to join Upward Bound! We want to help you plan your college journey!

Love you all,

—Darlene

## **Upward Bound Officers' Duties and Responsibilities**

Each school's Upward Bound (UB) program operates like a club during the school year. This year there will be a President, Vice-President and Secretary/Treasurer at each school. These officers will be elected by the club members during the first Upward Bound club meeting. The following is a description of each position and what is expected. When nominating someone for a position, please make sure the person considered is willing and capable of fulfilling the obligations and requirements for that position. Your school's UB club will only run as well as the officers in charge. Remember that the Coordinator is available to help, but this is YOUR program!

### President

- Be a model Upward Bound member
- Attend meetings and activities faithfully
- Work with Coordinator to plan club meetings
- Notify club members of meetings
- Notify club members of activities and changes/cancellations of activities
- Work with Coordinator on any fundraisers
- Be a positive representative of Upward Bound to the teachers, administrators and other students

### Vice-President

- Actively assist President in duties listed above
- Step in when President is unable to fulfill duties

### Secretary/Treasurer

- Take minutes at each meeting and provide them to Coordinators, detailing what is discussed during the meeting
- Record attendance at each meeting on monthly attendance sheet for Coordinator
- Pass out newsletters and any forms from UB office
- Take up any completed forms and give them to Coordinator to return to UB office (address updates, stipend receipts, permission slips, etc.)
- Count and record any money raised in fundraisers and provide Coordinator with records and money to be turned into UB office as soon as possible
