Collier's Corner

Dear UB Students,

Happy New Year! I hope you all enjoyed your Christmas Break and had plenty of time to rest, sleep in, eat a lot of good food, and chill with your friends! Speaking of chill, how are you all staying warm in these freezing temperatures? I have been doing a lot of baking which makes the house much warmer and my waistline larger!

Most of you are back in school and ready to start this brand new year! It's great to have a fresh start as I put my goals for 2018 in place!

Statistics show that people who write out their goals are 80% more likely to achieve them! Be passionate about your goals and develop a specific plan to achieve them! Author Willem Gous states, **"We all have dreams, but the only way to turn our dreams into reality is to set goals!"**

We are busy finalizing the activities for second semester along with planning the up and coming Summer Program! The Summer Program is five months away, but it will be here before we

know it! Please check your activities calendar for future Upward Bound activities this semester! I am looking forward to seeing you all this month!

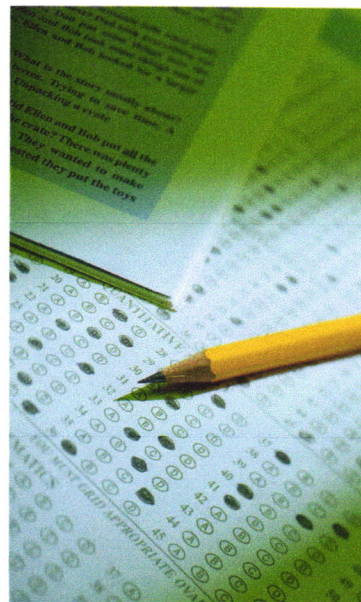

Love ya!!

Darlene
