Collier's Corner

Dear Students,

It is hard to believe that Christmas is behind us and 2019 is in full swing! (Now we just need to pray for some snow days! Lol!) I do love having a clean slate for the New Year! It allows me time to reflect over the past year and then make some positive goals to improve myself and my relationship with those around me. There is no better satisfaction than marking off a goal that you have successfully accomplished! Start with small goals, then develop specifics on how you plan to complete them within a reasonable timeline! Please make improving your grades as one of your

main goals. A great GPA helps with receiving scholarships down the road. Don't feel like you have to conquer the world! Many times "slow and steady" does win the race!

The UB Staff is busy planning for the Summer Program! It will be here before you know it! Please mark your calendars for these Summer Program dates:

Digital Week

June 3-7

Move-in Day

Sunday, June 9

Awards' Banquet

Wednesday, July 3

Summer Program Trip to New York

July 8-11

We will also be going over the upcoming activities for the second semester of school during our January school visits. Please let us know if you have any questions! See you all soon!

Love ya!!

Darlene
