## Collier's Corner

Dear UB Students,

Winter will soon be officially over, and I cannot wait! I am disappointed that we did not have much snow or snow days, but I am so ready for Spring now! As I am writing this letter, we are just days away from Student Leadership Conference in Flatwoods, WV. Eleven students submitted excellent essays on what makes a leader and will be attending! Thank you for your hard work!

I hope you all have marked your calendar for the 2017 Summer Program which begins on Sun-

day, June 11, and runs through Friday, July 7!

The trip to Niagara Falls is now in place for July 10-13! Please send us your signed letter of intent to attend the Summer Program! We interviewed last week for the Advisor positions and the candidates were some of the best we have ever interviewed. We will introduce those new members of the Summer Staff to you in our next newsletter! Sai, Cortney, and Ivy will be our returning Advisors this year! Please let us know if you have any questions about the Summer Program. My office phone

is 304-696-2443.

After reviewing the February Monthly reports, I see that some of you are forgetting to see your UB Coordinator once a week. Please mark that in your planner or in your phone to remind yourself so we do not have to take money out of your April check!

As the school year begins to wind down, enjoy the warmer weather and your Spring Break, but don't get spring fever! Work to the very end!

Much love,  
Darlene

## What Makes A Great Leader

A Great leader is comprised of many different qualities. Obviously they have to be able to lead a group, but what really makes them stand out is when they can also become a follower. When someone can recognize that they are not always the best person to be in charge, as well as understand that looking up to someone else is not a bad thing, that makes me a good leader. Even a great leader needs a little help and inspiration sometimes.

A good leader also has to have integrity. To lead, you have to be trustworthy and honest, or else people will see no reason as to why they should follow you. Also, you have to show compassion. You have to care about the people around you and truly want the best for them.

Attending the Leadership Conference would greatly help me. I have never been the most outgoing person. I sometimes have a hard time speaking up with my ideas or just in general, usually allowing someone else to take control. I think the conference would help be step out of my comfort zone and learn great techniques at improving my leadership qualities. There, I can meet new people as well as discover new information that I can use to help myself as well as the people around me. Attending the Leadership Conference would be an amazing opportunity to help make me a better leader, as well as help me branch out in my everyday life.

Written by a Lincoln County High School student attending the Student Leadership Conference. Can you guess who?
