Collier's Corner

Dear UB Students,

I am always amazed as to how fast the summer flies by! It is not easy for me to put up my flip flops until next spring. Actually I really don't give them up until the first snowfall! Lol

First of all, the Summer Program was a great success! Your final speeches were fantastic! Thanks to everyone for making Upward Bound Day so successful! Coming in first place was the icing on the cake for the day. We definitely made some lasting memories on our Niagara Trip as well! Eugene is already working on the agenda for our trip to Chicago next summer! After reviewing the results of the Summer Program Evaluations, you all voted that Chicago was the

destination for our next Summer Program Trip, so "Windy City," here we come!

Secondly, by the time you receive this newsletter, everyone will be back to school! I love that you all have a new beginning and can start off the school year with a renewed purpose. Our quote for the academic year is "Do something today that your future self will thank you for." What a good reminder that the choices you make today definitely impact your tomorrows.

Last of all, the Upward Bound Program is here to help you in any way we can as you follow your dreams and plan your college journey! Please feel free to call, text, stop by the office or share on school visits your

questions and concerns. Being pro-active is a great way to start off this academic year!

Much love to you all,

—Darlene
