Collier's Corner

Dear UB Students,

I cannot begin discussing the new Academic Year without mentioning the Summer Program! The Summer Program was fantastic! First of all, in the middle of the Summer Program our staff had to pack up our offices and move out so renovations could be made to the office space (not an easy task)! What an experience! We then created a makeshift office in Harris Hall for a couple of weeks. Carol and Eugene did not miss a beat! A special thanks to our faculty, advisors, students, and parents who were so accommodating throughout the Summer Program! Hands down the best advisors ever! The students delivered the most inspiring final speeches, and I could not be more proud! Summer Program

2019 is now history with many memories made—especially our New York Trip! One last thought—always remember to

“Think...Believe...Dream...Dare!”
(Walt Disney)

By the time you all receive this newsletter, everyone will be back to school! I hope you all are enjoying your classes, being with all of your friends again, and making new ones! Now is a good time to set some goals in place so this can be your best academic year ever! Please make use of your new planner and take time to review the Activities Calendar so you can plan to attend the events! Let us know what we can do to help you throughout the year! This Academic Year is 2019-2020 so we are going to focus on **Vision!** Our quote for the year is

“Vision is the art of seeing the invisible!”
(Jonathan Swift)

Looking forward to a great year and seeing you all soon on school visits!

Love you all,
Darlene
