# WELCOME

At the Marshall University Mid-Ohio Valley Regional Center (MOVC), you will have a condensed Week of Welcome (WOW) program. WOW is a component of UNI 100 Freshman First Class. Students enrolled in UNI 100 are required to attend this program.

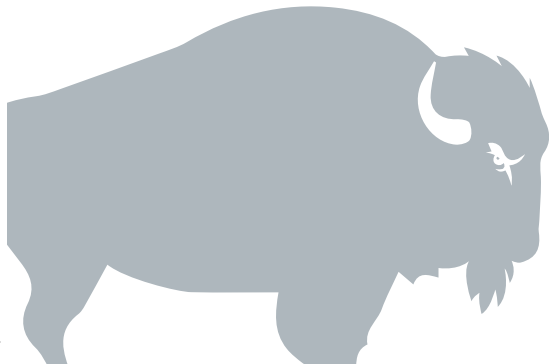

During our one-day WOW session, the staff of MOVC will help you begin to explore the services available at the Mid-Ohio Valley Center campus as well as the Huntington campus. Your UNI 100 class will continue to meet once per week for the next seven weeks. In your class sessions, the focus will be on you. You will further explore success strategies and resources available to you on both campuses as well as opportunities for you to get involved in student activities, athletics, intermural sports, and student organizations.

You are also invited to enjoy all of the evening and weekend WOW activities offered on the Huntington Campus. Please visit [www.marshall.edu/WOW](http://www.marshall.edu/WOW) for a complete schedule.

We are looking forward to meeting you and welcoming you as a Son or Daughter of Marshall.
