In April 1984, the West Virginia Board of Regents formally approved the establishment of the College of Fine Arts at Marshall University, effective with the beginning of the fall semester 1984. The college includes the academic departments of art, music, and theatre, and the Marshall Artists Series.

MISSION OF THE COLLEGE

The fine arts are aesthetic responses to human nature and experience. They celebrate the best of human endeavor. They contribute to the individual and to society by reflecting and projecting values which shape every culture. They proceed from creation to experience and provide both the artist and audience with deeper understanding of traditions of human existence and thought. Thus, the fine arts are essential to education.

Consistent with the goals and purposes of education at Marshall University, the College of Fine Arts is dedicated to the transmission, application, and advancement of knowledge in the arts. The specific goals of the College of Fine Arts are:

1. To educate and train those seeking professions in the fine arts;
2. To support the university’s general academic curricula by providing courses which stimulate understanding of and response to the fine arts;
3. To present regular, varied programs for the enrichment of students and the community; and
4. To provide leadership in the fine arts, and to promote them through service and programs.

PROGRAMS OF THE COLLEGE

Education in the fine arts is the central responsibility of the College of Fine Arts and provides the source of other collegiate activities. The combination of liberal education and a rigorous program for the development of artistic skills is necessary for students in each area of the fine arts. The educated professional in any facet of the arts must rely upon intellectual, creative, and critical abilities. These must be accompanied by discipline and sensitivity to insure independent growth and learning.

The curricula of the College of Fine Arts are designed to certify that, upon graduation, students of fine arts have completed a program which leads to development of the ability:

1. To master techniques necessary for performance in the fine arts or practice of an artistic discipline;
2. To express ideas effectively in speaking and writing;
3. To perceive, investigate, and solve problems through critical thinking, analysis, active imagination, and the application of appropriate research methods;

4. To acquire and interpret information and to form standards for the evaluation and appreciation of their cultural heritage and that of others; and

5. To understand the continuing evolution of their art form, its relationship to the other arts, and the place of arts in society and culture.

The College of Fine Arts offers undergraduate programs leading to the Bachelor of Fine Arts Degree (B.F.A.) with majors in music, theatre, and the visual arts. Programs leading to the Bachelor of Arts degree in education with certification in art or music education for teachers in West Virginia public schools are listed under the College of Education and Human Services in this catalog. Graduate programs leading to the Master of Arts (M.A.) degree in art and music may be found in the Graduate Catalog.

All university students are encouraged to participate in courses and activities of the College of Fine Arts. Students wishing to develop or advance their artistic skills are welcome to enroll in studio or applied courses and to join the various arts organizations. Students who desire a minor in the arts should refer to the departmental listings for the sequence of courses in each program.

Through the College of Fine Arts, Marshall University enriches the campus and regional community with many performances, exhibitions, lectures, and special presentations. The programs of the Marshall Artists Series, including the Baxter Series, Mount Series, Belanger Series and International Film Festival and special events throughout the year, present world-class artists and organizations. Exhibitions in the Birke Art Gallery are open to all students. The Department of Music presents many recitals and concerts by its faculty, students, and ensembles in addition to programs featuring guest artists. Throughout the academic year and during the summer sessions, the Marshall University Theatre provides many major dramatic productions. Students are cordially welcomed to all events and are urged to explore the excitement, enrichment, and entertainment offered by the College of Fine Arts.

Additionally, the college offers arts experiences to community students of all ages through a variety of programs: Art Opportunity in the Department of Art, Music Preparatory Division in the Department of Music; and Theatre Prep and Dance Prep in the Department of Theatre.

**THE BACHELOR OF FINE ARTS DEGREE**

The degree offered by the College of Fine Arts is the Bachelor of Fine Arts (B.F.A.). This is a professional degree designed to prepare students for two future objectives: (1) career entry as professionals in their chosen artistic discipline; and/or (2) further professional study on the graduate level in their chosen field.

Students enrolled in the B.F.A. degree program will select one of three majors: music, theatre, or visual arts. Within each major, students are further required to select a major area of emphasis, allowing specialization in a specific artistic medium. The approved majors and areas of emphasis are as follows:

**MUSIC MAJOR: Areas of Emphasis**

- Music Performance
- Music Theory and Composition

(continued)
THEATRE MAJOR: Areas of Emphasis
Acting/ Directing
Design/ Theatre Technology

VISUAL ARTS MAJOR: Areas of Emphasis
Crafts (Ceramics, Weaving)
Graphic Design
Painting
Photography
Printmaking
Sculpture

Students should contact the department chairperson for information pertaining to each of the majors and areas of emphasis and to determine special admission requirements for each potential sequence. In unusual circumstances, students may enter the B.F.A. program as undecided majors upon the recommendation of the dean or department chairperson.

Curricular Structure
The Bachelor of Fine Arts degree program, designed to parallel professional degree programs in the arts in United States higher education, has three distinct components:

General Distributional Requirements 47 credit hours
Majors and Area of Emphasis Requirements 82 credit hours
Free Electives 9 credit hours
Total Required for Graduation 138 credit hours

Distributional Requirements for the B.F.A. degree

English Composition: ENG 101, 102, or 201H ................................................................. 6 credits
Communication Studies: CMM 103 or 104H ..................................................................... 3 credits

Students who have had a high school speech course and who pass a proficiency exam administered by the Speech Department may have this requirement waived at the discretion of the Speech Department, and the number of credits required for graduation reduced by three.

Foreign Language ................................................................................................................. 12 credits
Successful completion of 12-hour sequence ending with French 204, German 204, Greek 302, Latin 204, or Spanish 204. Students who have had coursework in foreign languages may receive advanced standing depending upon their proficiency and may have the total number of foreign language credits required reduced.

Humanities .................................................................................................................................6 credits
Selected from:
Classics
English (300 or 400 level literature courses)
Modern Languages (Literary or cultural courses beyond the language requirements listed above)
Philosophy (except 304 or 453)
Religious Studies
Social Sciences .............................................................................................................................................. 9 credits

Courses from at least two of the following categories:
A. Economics or Political Science
B. Psychology or Anthropology/Sociology
C. Geography (except GEO 101) or History

Natural Sciences and Mathematics .............................................................................................................. 11 credits

Must include Math 121 or higher (3 hours), at least one Integrated Sciences course (ISC: 4 hours). Additional courses to make up the requirement can be selected from the following areas:

- Mathematics (excepting developmental courses)
- Philosophy 304 or 453
- Physical Science 109, 109L, 110, 110L
- Physics

Students eligible for speech and/or foreign language waivers must conform to the university policy of a minimum of 128 hours required for baccalaureate graduation.

MARSHALL PLAN

Students in the B.F.A. degree program are responsible for meeting the requirements of the five baccalaureate program initiatives approved by the faculty and the university president for all students, which are known collectively as the Marshall Plan. These initiatives are Writing Across the Curriculum, Computer Literacy, International and Multicultural Studies, Integrated Science and Mathematics, and the Capstone Experience. Students in the College of Fine Arts are to consult with their program advisor or the chairperson of their major department for guidance in determining the specific details of meeting these baccalaureate curricular initiatives.

FREE ELECTIVES

Depending upon the specific courses taken to fulfill the distributional requirements of the college, students will need to complete nine to twelve (9-12) credit hours of free electives as a requirement for graduation. In choosing these electives, students are encouraged to explore courses which may provide information and experience helpful to their artistic development and professional future. Any university course may be used to satisfy this requirement.
GENERAL ACADEMIC REQUIREMENTS

Students are required to complete all coursework in their respective majors with a minimum grade of C. Course grades of D and F are not counted toward graduation requirements, and must be replaced with at least a grade of C before graduation or before using that course as a prerequisite for another required course.

Candidates for graduation must have a Grade Point Average of 2.0 or higher in all work attempted at Marshall University.

Forty-eight (48) credit hours must be earned in courses numbered 300-499 in all majors and areas of emphasis of the program.

Candidates for the B.F.A. degree must earn a minimum of 82 credit hours in the major and areas of emphasis.

No courses in the specific distributional and major requirements for graduation in the College of Fine Arts may be taken Credit/Non-Credit.

Minors in Fine Arts

The Bachelor of Fine Arts degree program does not require a minor. However, students wishing to earn a minor may do so by completing the stated minor requirements in any department or discipline of the university.

Students not majoring in programs of the College of Fine Arts who wish to complete a minor in a fine arts discipline should consult the appropriate chair.

BFA Degree Program Combined with Master of Arts in Teaching (M.A.T. Degree Program)

As an alternate to programs leading to teacher certification in Art 5-12 and K-12 and Music K-12 for the State of West Virginia, students may elect to pursue a program of study leading to completion and award of the B.F.A. degree followed by completion and award of the Master of Arts degree in Teaching. Upon successful completion of the Master of Arts in Teaching, including all requirements for the West Virginia Department of Education Teacher Certification, students would then be recommended by the College of Education and Human Services to be certified as art or music teachers.

It is highly desirable that students who intend a career in teaching have appropriate content-based pedagogy experience. During the time that the student is pursuing the B.F.A. degree, he or she should work closely with the advisor and specifically should seek to include (as allowed by the B.F.A. program’s electives or by judicious course substitution) the following undergraduate courses as preparation for entrance into the M.A.T. Specific courses for potential art or music teachers to be added to the B.F.A. would be:

- Art Education: ART 113, 340, 350, 460, 468
- Music Education: MUS 320 or 321 (choose 1); MUS 338, 339, 340, 415
  - Vocal majors: MUS 261, 262, 263, 264; instrumental ensemble or MUS 177
  - Instrumental majors: MUS 261, 262, 263, 264 (choose 3); MUS 312, 313

For further information on the alternative combination of the BFA/MAT Program, please contact the chairman of either the Department of Art or the Department of Music, or the coordinators of art or music education in the respective departments.
Double Area of Emphasis

In unusual circumstances, outstanding students may wish to pursue two areas of emphasis within a departmental major in the B.F.A. degree program. This is not to be considered as a second baccalaureate degree. The student must complete all specific requirements for both desired areas of emphasis, must be recommended for double areas of emphasis by the faculty of the specific areas, and must be approved by the department chairperson and the dean of the college.

MANDATORY ADVISING POLICY FOR FINE ARTS STUDENTS

Successful progress in professional curricula offered by the College of Fine Arts requires careful attention to course sequence and course prerequisites. Therefore, the College of Fine Arts has adopted a mandatory student advising program. Each student will be assigned a faculty advisor in the student’s area of interest, who will provide academic advice and guidance in the student registration process. Prior to enrolling for classes, each student in the College of Fine Arts will consult with his or her advisor and secure the advisor’s approval of his or her schedule as evidenced by the advisor’s stamp and signature. A student who has not been assigned an advisor or who has questions about the assignment of advisor should contact the dean of the College of Fine Arts or the department chairman of the appropriate department.

DEPARTMENT OF ART

Students desiring to enter the Bachelor of Fine Arts degree program with a visual arts major are urged to contact the Department of Art prior to enrollment. A formal review of prior work in a portfolio is not required, but students are advised to bring examples of their work to the initial conference.

Candidates for the Bachelor of Fine Arts degree (B.F.A.) with the major in visual arts are required to complete eighty-two (82) hours of credit in art courses, including the core curriculum (58 hours), and a major area of emphasis (24 hours). Majors must also satisfy the following departmental requirements:

1. All art majors must successfully complete six (6) semesters of Art 200.
2. In the second semester, students pursuing the Bachelor of Fine Arts or the Bachelor of Arts in Education with K-12 or 5-12 certification in art must exhibit a portfolio of work done in the freshman courses for review by the faculty of art. Students must register for ART 299, Freshman Portfolio Review. Included will be work done in ART 203, 214, 215, 217, and 218. Students who do not receive a grade of CR in the freshman review are required to repeat lower-level work and will be given one opportunity during the sophomore year to pass the review successfully. Should a student fail to receive a grade of CR in the second review, the student will not be allowed to pursue a major in art or education with certification in art. Transfer (note exception in the paragraph immediately below) within Marshall University will have two semesters to complete the same courses listed above and participate in the same review. Transfers from art and/or art education departments outside Marshall University will be required to complete the review in the first semester they participate in the MU Department of Art. Transfer students have one additional attempt to
complete the review successfully. Successful completion of the freshman review is required prior to enrollment in advanced courses in art. Art and art education majors must take the classes listed above before enrolling in advanced art classes.

A student who fails to receive a grade of CR in the freshman review on the second attempt is not eligible to transfer his or her major from art education, or from art education to art. This student will not be allowed to enroll as a major in either program.

3. Students enrolled in the Bachelor of Fine Arts or Bachelor of Arts in Education degree programs must complete all work in the major with a minimum grade of C. A student who receives a D or F in an art course counted toward graduation must repeat it and earn at least a C before graduation or before using that course as a prerequisite for another required course.

4. A successful exhibition of creative work must be presented by all students during the senior year as a requirement for graduation (ART 499).

Art Education

The degree program leading to the Bachelor of Arts in Education with K-12 certification in art is described under the College of Education and Human Services.

Minors in Art

A minor in the Department of Art consists of a minimum of 18 credit hours. A minor must be completed either in Art History or in Studio Art.

A minor in Art History requires Art History Survey, Art 401-402, and four additional courses in art history at an advanced level.

A minor in Studio Art required two courses selected from foundation classes, Art 203, 214, 215, 217, and 218, and four courses in an Art Studio concentration (ceramics, graphic design, painting, photography, printmaking, sculpture, and weaving).

All coursework must be selected in consultation with the art faculty member responsible for that concentration. That faculty member serves as advisor.

DEPARTMENT OF MUSIC

The Marshall University Department of Music is a fully accredited institutional member of the National Association of Schools of Music. Undergraduate music majors may choose from two programs of study. The Bachelor of Arts degree in Education with certification in music leads to K-12 music certification in West Virginia. Core requirements for this program are described under the College of Education and Human Services. Additional requirements regarding applied music and ensembles are given below.

The Bachelor of Fine Arts degree with a music major is designed to prepare students for entry into professional musical careers or graduate school. The graduate program leading to the Master of Arts degree in music performance, education, history/literature, or theory/composition may be found in the Graduate Catalog.

The Department of Music also offers a minor in music. Students majoring in a discipline other than music should consult the department chair to apply for admission to the program.

In addition to this catalog, detailed information regarding departmental policies and procedures and specific requirements for applied music and ensemble participation can be found in the Music Student Handbook issued by the Department of Music.

Students desiring entry into either undergraduate program must be formally admitted to the Department of Music. This admittance is based upon an audition in the student’s major performance area (instrument or voice) and an interview with the area faculty. Students desiring to enter the theory/composition area of emphasis should be prepared to show evidence of music theory study and/or compositions. Students should contact the Department of Music office to arrange for an audition and interview.

(continued)
All coursework in the music and music education majors must be completed with a grade of C or above. A course with a grade of D or F must be repeated with at least a grade of C to count for graduation or be used as a prerequisite for another required course. All music and music education majors are required to pass a piano proficiency examination as a requirement for graduation.

A total of 138 credit hours is required for the B.F.A. degree with a music major. In addition to university and college requirements listed under the College of Fine Arts, candidates for the B.F.A. in music must complete 82 credit hours of study in music, divided into the core curriculum of 49 credit hours and 33 credit hours devoted one of two areas of emphasis.

Upon completion of the fourth semester (100-D level) of applied music study on the principal instrument, students must pass a sophomore hearing for promotion to upper-division (300-A level) applied music study on the principal instrument. Students are permitted a maximum of two attempts to pass the sophomore hearing.

APPLIED MUSIC
Principal Instrument

Following the entrance audition, and upon the recommendation of the area faculty, acceptance into the music or music education major or the music minor will be given by the department chair. The student's principal instrument will be the one on which he/she performed the entrance audition.

Applied music lessons on the principal instrument include one hour of lesson time per week, with two hours of daily preparation expected. Applied music students are not permitted to drop lessons during the course of a term without specific permission from the department chair. This permission is granted only for extraordinary reasons in exceptional cases. Registration for all applied music study requires the permission of the Department of Music office.

All music minors and music or music education majors registering for applied music must enroll concurrently for an ensemble. If all other ensemble requirements have been
met (see Ensemble Requirements below), the ensemble should be chosen in consultation with the studio teacher. Elective students registering for applied music may be required by their instructor to enroll concurrently in an ensemble.

1. All music education majors are required to complete 12 credit hours of study on the principal instrument — 6 hours of lower division and 6 hours of upper division.

2. All music majors enrolled in the performance area of emphasis must complete 16 credit hours of study on the principal instrument — 8 hours of lower division and 8 hours of upper division.

3. All music majors enrolled in the theory/composition area of emphasis must complete 10 credit hours of study on the principal instrument — 8 hours of lower division and 2 hours of upper division. In addition, students must complete four semesters of applied composition (MUS 430, 431, 432, 433).

4. All students pursuing the music minor must complete 4 credit hours of study on the principal applied instrument. Continuation of applied study beyond these credits shall occur after consultation with the applied studio teacher.

5. Each applied music student must be approved through jury examination at the end of each semester before registering for the next level of study on the principal instrument. At the end of the fourth semester, students must complete the sophomore hearing before upper division (5th semester) applied music study may be started. Students not approved for advancement will be required to repeat lower level work until successfully completing the sophomore hearing. Students are permitted a maximum of two attempts to pass the sophomore hearing.

6. Performance on the principal instrument is required at least once each semester on weekly daytime recitals held for this purpose (MUS 100). First semester music education majors may be exempted from student recital performance during the first semester of study at the discretion of the studio teacher. All senior music and music education majors, and junior B.F.A. performance majors must give a recital as part of the requirements for graduation. Approval to plan a recital must be obtained during the jury examination preceding the recital semester. During the junior recital semester, B.F.A. students co-register for applied study on the principal instrument and MUS 376. During the senior recital semester, B.F.A. students co-register for applied study on the principal instrument and the capstone course (MUS 498 or 499).

Secondary Piano

All music and music education majors are required to pass a piano proficiency examination as part of the degree requirements. Typically, this examination is completed during the semester in which the student is enrolled in the fourth level of class piano (MUS 179D). Students may be required to repeat piano study until all proficiency requirements are met. In addition to the piano proficiency skills requirement, all undergraduate music majors whose principal instrument is not keyboard must complete a minimum of 4 semesters of piano instruction, to be taken in class or individual study as determined by the piano faculty. Keyboard majors must complete 4 semesters of instruction on a secondary instrument.

All music majors requesting entry into class piano (MUS 179) must be enrolled in Music Theory (MUS 115). All students must demonstrate the ability to read bass and treble clef and to construct a major scale, and must know key signatures. This test will be administered the first day of piano class. Students who do not meet these prerequisites and those students who are enrolled in MUS 101 (Basic Musicianship) must enroll in a
specially designated section of MUS 179A. If necessary, these students will be required to repeat this special section until the prerequisites are met. Non-major students who meet the prerequisites will be enrolled in MUS 179 on a space-available basis.

Elective Study

Students may elect applied music study on a secondary instrument, upon the approval of the department chair and the studio teacher, and receive one credit hour per semester. Elective lessons provide one half-hour lesson per week and require one hour of daily preparation. These lessons are permitted on a first come, first served basis according to availability. In piano, voice, and guitar, special beginning classes are listed in the Schedule of Classes. Elective students registering for applied music may be required by their instructor to enroll concurrently in an ensemble.

CAPSTONE EXPERIENCE

Performance Capstone (MUS 499)

All performance majors must appear in a performance capstone approved by the music faculty as a requirement for graduation. Students may not register for the Capstone Experience prior to registering for the 300D level of study on the principal applied instrument.

Composition Capstone (MUS 498)

All composition majors must appear in a composition capstone approved by the music faculty as a requirement for graduation. Students may not register for the Capstone Experience prior to registering for Advanced Composition II (MUS 433).

ENSEMBLES

Students participate in ensembles that are varied both in size and nature and chosen from those appropriate to the area of specialization. With the approval of the ensemble conductor and the academic advisor, a student may enroll in more than one ensemble in a semester. Enrollment in all ensembles except University Chorus, Choral Union, and Symphonic Band require the permission of the instructor. The actual number of clock hours per week of rehearsal may vary depending on the ensemble. All ensembles receive one semester hour credit.

Principal and Secondary Ensembles

The principal ensembles are Chamber Choir, University Chorus, Jazz Ensemble, University Symphony Orchestra, Symphonic Band, Wind Symphony, and Marching Band. Secondary ensembles are Choral Union, Opera Workshop, University Singers, Jazz Improvisation Ensemble, Pep Band, and chamber ensembles (Brass, Woodwind, Percussion, Guitar, String, and Collegium Musicum).

Ensemble Requirements

Music Education majors: All full-time music education majors are required to participate in ensembles in each semester of residence. Seven semester hours (four lower division and three upper division) in a principal concert ensemble are required for all majors. These must be earned in seven different semesters. All music education majors whose principal applied area is an instrument other than voice are required to complete one semester in a
choral ensemble. During the fall semester of the first three years, Orchestra (audition required), Wind Symphony (audition required) or Symphonic Band and Marching Band are corequisites for students whose principal applied area is a wind, brass, or percussion instrument. In the spring of the junior year, these students may petition the department chair to substitute University Chorus or Chamber Choir (audition required) for Marching Band during the fall semester of the senior year, during which they also must enroll in a principal ensemble related to their area of principal applied study.

During one fall semester, music education majors whose principal instrument is voice, keyboard, or strings (including guitar) must register concurrently for Marching Band and a principal ensemble related to their area of principal applied study. String performers (including guitar) must complete four semester hours of String Ensemble or Chamber Music. Upon approval of the applied teacher, guitar and keyboard performers may substitute up to two semesters of an appropriate chamber ensemble or accompanying for two semesters of a principal ensemble.

Music Majors: All full-time music majors are required to participate in ensembles in each semester of residence. Eight semester hours (four lower division and four upper division) in a principal concert ensemble are required for all majors. These must be earned in eight different semesters. Although not required to do so, wind and percussion performers are encouraged to participate in the Marching Band (fall semester only) following consultation with the applied teacher. String performers must complete four semester hours of String Ensemble or Chamber Music. Upon approval of the applied teacher, guitar and keyboard performers may substitute up to two semesters of an appropriate chamber ensemble or accompanying for two semesters of a principal ensemble.

DEPARTMENT OF THEATRE

Students desiring to enroll as majors in the Bachelor of Fine Arts degree with a theatre major should contact the Department of Theatre prior to registration for requirements and sequences. At the initial meeting, the area of emphasis will be selected and students may plan the scheduling of classes to insure completion of all departmental and collegiate requirements.

Candidates for the Bachelor of Fine Arts degree, theatre major, must successfully complete eighty-two (82) credit hours of coursework in theatre and related disciplines in addition to the general distributional requirements and free electives. The theatre courses are divided into the core curriculum of fifty-two (52) hours and the student's choice of areas of emphasis with thirty (30) hours. Majors must also satisfy the following departmental requirements:

1. All theatre majors must complete all work in the major with a minimum grade of C. A student who receives a D or an F in a theatre course must repeat it and earn at least a C before graduation or before using that course as a prerequisite.

2. Theatre majors who have successfully completed THE 101, 150, 151, 152, 200, 221, 222, and 250, and who have completed a minimum of 30 credit hours overall, are required to participate in a sophomore review, which consists of a written exam on general theatre knowledge, and either a portfolio review (design/technology emphasis) or an audition (acting/directing emphasis). Successful completion of the sophomore review is required for enrollment in 400-level theatre courses. Students who fail to successfully complete the sophomore review are allowed two additional opportunities to complete the requirement. Review dates are announced the first week of the fall
and spring semesters. Specifics with regard to the material to be covered on the exam, portfolio review, audition, and the format of the review can be obtained from your faculty advisor.

In addition to formal coursework, the department provides laboratory experience through departmental productions during the academic year and the summer.

Students majoring in theatre will have laboratory/production responsibilities with significant time requirements and commitments outside of class throughout their undergraduate degree program. These responsibilities may impact on the time a student has available for non-academic activities.
