PAYMENT OF FEES

Tuition fees for a regular semester, a Summer Term, an Intersession, and any special class are due and payable to the Office of the Bursar in accordance with dates established and listed in the Marshall University *Schedule of Courses*, published by the Office of the Registrar for each term of enrollment. If you do not pay your enrollment fees on or before the due date, your registration will be cancelled and you will be subject to withdrawal from the university (see **Withdrawal/Reinstatement Policy** below). Do not depend on receiving a bill from the university in the mail. It is always your responsibility to know when enrollment fees are due and to pay them by that time. If you have not paid your enrollment fees by the official due date you must obtain permission from the appropriate academic dean and the Office of the Registrar to register.

Student deferred payment plans for tuition will be offered for the fall and spring semester. All available financial aid from the term must be credited to the student's account prior to determining the amount available for deferral. Contact the Office of the Bursar for current deferred payment plan information. A student's residence services fees (room and board) are due at a semester rate payable in accordance with dates established by the Office of Residence Services.

You can pay fees by VISA or MasterCard or Discover by telephoning (800) 696-MILO or (304) 696-MILO. Credit card payments are also accepted at the Office of the Bursar, 101 Old Main.

If you are a recipient of financial aid through the university's loan or scholarship program, the university's Department of Intercollegiate Athletics, or any governmental agency, or by private loan or scholarship, you must complete arrangements for payment through the Director of Student Financial Aid in 122 Old Main, and the University Bursar in 101 Old Main. (See **Student Financial Assistance** below.)

Your registration is not complete until all fees are paid.

(continued)

Your registration will be cancelled if the bank does not honor your check for payment of registration fees. A charge of \$15.00 will be made for each check returned unpaid by the bank.

A student who has a financial obligation to the university cannot engage in any registration activity until the obligation is paid.

A student who withdraws from the institution by following proper withdrawal procedures will receive refunds of fees paid in accordance with the refunding policy.

A student who is required to withdraw from the institution for disciplinary reasons may not receive refunds of fees paid.

WITHDRAWAL/REINSTATEMENT POLICY FOR NONPAYMENT OF ENROLLMENT AND RESIDENCE HALL FEES

1. Through late registration each semester, a schedule of withdrawal for nonpayment will be included in the Marshall University Schedule of Courses. Following late registration, the Bursar will send written notification to the student advising of administrative withdrawal for nonpayment of Enrollment or Residence Hall Fees.
2. Upon notice from the Bursar, the Registrar will initiate a complete withdrawal for a student not paying fees. The withdrawal will be for "Administrative-Nonpayment of Enrollment or Residence Hall Fees."
3. The Registrar will notify the instructor that the student should not be permitted to continue attendance in the class.
4. If the student fulfills the financial obligation, the Bursar's Office will notify the student and his/her academic dean. The academic dean will have discretion to approve registration. If the dean approves, the student, the instructors, and the Registrar will be notified in writing immediately.
5. Upon receipt of notice from the academic dean, the Registrar will initiate the procedure to register the student in the courses for which the student was enrolled at the time of withdrawal.
6. A student who does not meet the financial obligation for enrollment and residence hall fees will have all entries of that registration erased on the Registrar's permanent record.
7. A student who owes a financial obligation to the university will not be permitted to enroll in subsequent semesters or terms until the obligation is paid.
8. If a student disputes an administrative withdrawal, he/she may file an appeal with the Student Grievance Board through the Office of Student Affairs. (The Student Grievance Board is a subcommittee of the Student Conduct and Welfare Committee). This appeal must be filed before the effective date of withdrawal established by the Bursar. The administrative withdrawal will be suspended until the President of the University acts upon the recommendation of the Student Grievance Board.

WITHDRAWAL/REINSTATEMENT FOR OTHER FINANCIAL OBLIGATIONS

1. Failure to fulfill other types of financial obligations with proper procedure may result in administrative withdrawal from the university.
2. Upon notice from the Bursar, the Registrar will initiate a complete withdrawal for a student not paying financial obligations. The withdrawal will be "Administrative-Nonpayment of Financial Obligations" and will be dated with the effective date of processing of the withdrawal.

Under these conditions, procedures will be followed as outlined above, items 3, 4, & 5, under "**Withdrawal/Reinstatement Policy for Nonpayment of Enrollment and Residence Hall Fees.**"

3. Students who do not meet these "Other Financial Obligations" and who are administratively withdrawn from the university will receive the grade determined by the withdrawal policy in effect at the time the administrative withdrawal was initiated.
4. A student who owes other types of financial obligations to the university will not be permitted to enroll in subsequent semesters until the obligation is paid.
5. If a student disputes an administrative withdrawal, he/she may file an appeal with the Student Grievance Board through the Dean for Student Affairs. (The Student Grievance Board is a subcommittee of the Student Conduct and Welfare Committee). This appeal must be filed before the effective date of withdrawal established by the Bursar. The administrative withdrawal will be suspended until the President of the University acts upon the recommendation of the Student Grievance Board.

REFUND PROCEDURES

Enrollment fees (tuition fees) will be refunded during the period designated by the Office of the Registrar for Registration, Late Registration, and Schedule Adjustments for a regular semester or a summer term and published in the Marshall University Schedule of Courses Bulletin. Enrollment fees (tuition fees) will be refunded to students for:

1. Classes officially dropped from the student's course schedule that reduce the student's total scheduled semester hours from full-time status to part-time status. Example: Undergraduate enrollment dropping of classes to adjust course schedule from 12 or more hours to fewer than 12 hours.
2. Classes officially dropped from the student's course schedule when the enrollment is in a current part-time status that reduce the student's total scheduled semester hours. Example: Undergraduate enrollment dropping of classes to adjust course schedule from 11 hours to 10 hours to 9 hours, etc.
3. Official complete withdrawals from all classes from the student's course schedule. Example: Undergraduate withdrawal from enrollment of 12 or more hours to 0 hours, 11 hours to 0 hours, 10 hours to 0 hours, etc.
4. Title IV Financial Aid first time enrollees who officially withdraw before or during their first period of enrollment shall have their refund calculated in accordance with the provisions contained in the 1992 amendments to the federal Higher Education Act.

Cancellation of Class

When it becomes necessary to cancel a class by administrative and/or faculty action, a student is granted a full refund of the fee for the class cancelled unless he/she registers in another course of like value in terms of semester hours. This action does not apply to withdrawals due to disciplinary action or withdrawals due to nonpayment of financial obligations.

Residence Services

Request for withdrawal from Marshall University on-campus housing must be addressed in writing to the Department of Residence Services. Refunds, if applicable, will be based on the date cancellations are received.

Fall cancellations must be received before July 1, and Spring or Summer cancellations must be received ten (10) business days or more prior to the official opening date of Housing, in order to receive deposits back. Voluntary withdrawal following these dates and prior to the opening of residence halls will result in a full refund less one hundred dollars (\$100.00) reservation deposit.

Withdrawal between the opening day for Housing and the first Friday will result in a refund of fifteen weeks' room and board.

Withdrawals after the first Friday will result in a forfeiture of monies paid for room.

A prorated refund will be processed for any unused portion of the Board plan.

Students whose residency is terminated automatically forfeit all monies paid for that semester.

Students who are denied admission, declared academically ineligible to return, or are unable to return for medical reasons, will be refunded on a prorated basis.

Refunds to students called to armed services of the enrollment fee only will be processed in accordance with policy established by the Office of the Registrar.

Late fees are nonrefundable.

Student Financial Assistance

Marshall University offers financial assistance to students through a large number of academic scholarships, grants, loans, and employment. The purpose of the Office of Student Financial Assistance is to provide a financial aid process which enables students to inquire, make informed decisions on the acceptance of awards, and efficiently use federal, state, institutional, local, and private sources of funding.

General Information: Financial Assistance and Application Procedures

To receive need-based financial aid from Marshall University or the federal and state governments, you must complete and submit the Free Application for Federal Student Aid (FAFSA).

The FAFSA is available from either the Marshall University Office of Student Financial Assistance, your high school guidance counselor, or your local library. This form must be submitted if you wish to be considered for all available aid resources including grants, loans, and student employment.

No processing fee is required for the FAFSA.

You should mail the completed FAFSA as soon after January 1 as possible to receive consideration for any programs with limited funding. West Virginia residents must remember to meet the March 1 deadline for the West Virginia Higher Education Grants.

The FAFSA is used to determine your family's ability to meet the cost of your education, which in turn determines your "financial need." Four to six weeks after you mail the FAFSA, an acknowledgment will be sent to you by the federal application processor. Your data will also be submitted electronically to Marshall University. Marshall University's Title IV Institutional Code is 003815.

SATISFACTORY ACADEMIC PROGRESS STANDARDS FOR FINANCIAL AID ELIGIBILITY FOR UNDERGRADUATE STUDENTS

Federal regulations require that financial aid recipients meet standards of academic progress. The standards established by the Office of Student Financial Assistance, consistent with the federal student aid requirements, are stated below. These standards measure progress in a given program of study. They include quantitative measures (percentage of courses completed) and qualitative measures (grade point average in those

courses completed). Continued compliance with the standards for academic progress policy is measured annually.

These standards apply to continuing and transfer students. A student not meeting the standards below will be ineligible for financial aid support until the time that he/she meets the provisions of the satisfactory academic progress policy. After reestablishing satisfactory academic progress or successfully appealing eligibility, the student may again receive, if otherwise eligible, federal financial aid.

Eligibility as an undergraduate or graduate will cease with completion of the first baccalaureate or master's degree. However, students seeking second baccalaureate or master's degrees may appeal for continued eligibility.

Enrollment adjustments any time after the beginning of a term, withdrawals (W) and/or incompletes will be counted in attempted hours. The attempted hours for purposes of this policy will include all hours, Marshall or transfer, that are reflected on the applicant's academic transcript.

Please review the following specific policy for your student category:

- Undergraduate (First) Baccalaureate Degree Students
- Community & Technical College Students
- Graduate Students

Undergraduate (First) Baccalaureate Degree Students

Students who have attempted 0-30 credit hours must have completed 50% of the credits registered (or and have a cumulative grade point average of 1.60.

Students who have attempted 31-64 credit hours must have completed 67% of the credits registered for and have a cumulative grade point average of 1.70.

Students who have attempted 65-89 credit hours must have completed 75% of the credits registered for and have a cumulative grade point average of 1.80.

Students who have attempted 90+ credit hours must have completed 80% of the credits registered for and have a cumulative grade point average of 2.00.

An academic major must be declared no later than the 58th credit hour.

The above limits eligibility to 160 attempted credit hours based on a program maximum of 128 hours; however, eligibility may be extended to 150% of the program length. For instance, program length = 128 hours x 150% = 192 maximum hours, based upon individual applicant circumstances. Further information regarding extension of eligibility beyond 160 credit hours may be secured by contacting the Office of Student Financial Aid.
