MAJOR INFORMATION

- All students desiring entry into the B.F.A. degree, the music education program, or the music minor must be formally admitted to the music program. Students should contact the music office to arrange for an audition and interview.
- All coursework in the music and music education majors must be completed with a grade of C or above. A course with a grade of D or F must be repeated with at least a grade of C to count for graduation or be used as a prerequisite for another required course.
- All music and music education majors are required to pass a piano

- proficiency examination prior to the capstone semester.
- In addition to university and degree program requirements listed under the Bachelor of Fine Arts, candidates for the B.F.A. in music must complete 73 credit hours of study in music, divided into the core curriculum of 18 credit hours and 55 credit hours devoted to one of four areas of emphasis.
 - Forty (40) credit hours must be earned in courses numbered 300-499.
 - No course in the major requirements for graduation may be taken Credit/Non-Credit unless the course is so specified.
 - Upon completion of the fourth semester of 100-level applied music study on the principal instrument, students must pass a sophomore hearing for promotion to upper-division (300-level) applied music study on the principal instrument.
