Have questions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish!

Take a career self-assessment to help determine what majors fit your talents and interests and consider job shadowing opportunities.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Join or create a club or organization on campus about a particular issue you care about. Marshall has more than 200 student organizations.

Attend an intercultural festival or event on campus or in town.

Your degree requires a practicum that must be completed over a summer term. Start planning now! Meet with your advisor.

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

Take a Community Based Learning (CBL) class that connects course content to the community. Stay engaged and make a difference.

Meet with a career education specialist to conduct a "gap analysis." Figure out the skills you'll need for the career you want while you still have time to build them.

Take MGT 320 in your second year to ensure that you are ready to start your 300 level health care management classes in year three.

Did you do really well in a hard course? Become a Tutor or a Supplemental Instructor.

National Student Exchange: Study away for one semester and gain a different perspective. Choose from institutions across the US, US territories, or Canada.

Volunteer for causes that you are passionate about such as animal rescue, 5ks to support medical research, or mentoring local youth.
