

# Marshall University Application for International Undergraduate Admission

## APPLY ONLINE!

After we receive all of your application materials, your credentials will be evaluated and, if admissible, you will be sent a letter of admission and the appropriate immigration form. The form is used to apply for a student visa at any American embassy or consulate. International students who are first time freshmen or transfers and are under 21 years of age are required to live in on-campus housing once admitted. After you have been admitted to the University, you will also receive information about applying for on-campus housing and completing our arrival survey in case you need transportation from Huntington Tri-State Airport (HTS) or Charleston Yeager Airport (CRW).

International admission can be found at [www.marshall.edu/admissions/international/undergraduate-international-admission](http://www.marshall.edu/admissions/international/undergraduate-international-admission). For additional information concerning the steps you need to take from admission through arrival on campus, please visit [www.marshall.edu/cip/isas/orientation](http://www.marshall.edu/cip/isas/orientation).

## DISTANCE LEARNING

Marshall University offers undergraduate programs which are conducted entirely online. Distance-Only students are not expected to have a campus or classroom presence during their academic careers and are eligible for a distance tuition rate in lieu of regular tuition and fees. International Distance Learning students will not be issued an I-20, and, therefore, proof of financial support is not required. For more information, please visit [www.marshall.edu/muonline/degreesandcourses](http://www.marshall.edu/muonline/degreesandcourses).
