

- **MTH 121, 160, STA 150/L** can use HS GPA of 3.0 for entry in the absence of test scores
- **MTH 127** can use either test scores or HS GPA of 3.0 for entry – this is noted below course in Schedule of Courses
- **ENG 101** can use HS GPA of 3.0 for entry in the absence of test scores
- **BSC 120/120L** can use either test scores or HS GPA of 2.6 for entry – this is noted below course in Schedule of Courses
- **BSC 227** no longer has pre-requisites. The test scores and 12 hour enrollment with GPA have all been removed
- **CHM 111** can use either test scores or HS GPA of 3.0 for entry – this is noted below course in Schedule of Courses
- **Students with a Math ACT of 16/SAT of 459 or lower** in or considering STEM degrees should enroll in the following sections of **MTH 127**:
  - Two sections will meet for 6 contact hours (still a 5CR course) and be *open to only students that would normally be placed into MTH 102*.
    - ~~Section 107 (CRN 2875)~~ This section is now closed.
    - Section 112 (CRN 4375)
    - These will be capped at zero, but advisors may place students in these directly, with an **enrollment cap of 24**.
  - Two sections will meet for the traditional 5 contact hours and will have a *blend of both students that would normally place into MTH127 as well as those that would normally be placed into MTH 102*.
    - Section 114 (CRN 4405)
    - Section 115 (CRN 4406)
    - These will be capped at zero, but advisors may place students in these directly, with an **enrollment cap of 6**.

### Summary Chart

Course	Pre-requisite
