

## Spring 2013 Issue 1: Alpha Kappa Psi Newsletter

### *Alumni did you know...*

The Zeta Rho chapter of Alpha Kappa Psi at Marshall University needs you to help the fraternity to spread the word of why to join and become a member of this great fraternity chapter at the University to students on campus.

#### Alumni

As being a member of AKPsi for a year and becoming the current Vice President of Alumni this semester I have seen many great things that have happened within this fraternity. However, we could not have done the great things that we have without the help of our Alumni. Further, we cannot progress this chapter of the fraternity without the support of the Alumni. Going forward, we will need the help of the brothers who came before us more than ever to help support the mission of AKPsi that we believe in. The Zeta Rho chapter has grown our membership to 13 active brothers, however we want to keep on growing the fraternity to make it a larger chapter after the Spring 2013 semester is over. We will be at the point this semester where most of the current seniors will be leaving us behind in May, and the rest will need all the support that can be provided to continue the mission of AKPsi.

Here are possible ways that you can support the best and oldest fraternity on campus:

- Post the benefits that you've received from Alpha Kappa Psi to our Facebook page at: [www.facebook.com/groups/muakpsi/](http://www.facebook.com/groups/muakpsi/)
- Send in pictures that are related to your time here at Marshall to promote Alpha Kappa Psi then please either post them to our website or Facebook page or email them in at [akpsizetarho@gmail.com](mailto:akpsizetarho@gmail.com)
- Be a professional speaker during our rush events and tell why you joined, how AKPsi helped get you where you are today and what AKPsi means to you?
- Attend our meetings. This semester, our meetings are held on Sunday's at 8pm in Drinko Library 349 and we encourage you to attend our meetings.
- Attend our Yellow Rose Banquet this Spring on May 4th, more details to follow. We'd love to have you there!
- Financially support our chapter. Help the chapter by donating to have funds for rush events, travel funds and general funds. Also, it will help the brothers in participating in some of the activities that the current brothers may not be able to do so such as with experiencing the annual AKPsi PBLI (Principle Business Leadership Institute) and other functions that help promotes the benefits of our fraternity.

· Initiation for new pledges will be on February 7th at 9:30pm, please contact for room details. We would love to see you there!

You can always contact us at [akpsizetarho@gmail.com](mailto:akpsizetarho@gmail.com) to ask about how to help out the Chapter

Please forward this message to all the brothers that you are still in contact with.

## *President*

The Zeta Rho chapter has been doing some big things recently around the community. We recently have been recognized in "The Diary" for one of our service events this past year. This is something that we are extremely proud of since the whole country could see what our accomplishments have been. At this year's PBLI in Philadelphia, our chapter will be recognized for having a 25% growth in members and a 25% growth in points in regards to the ACR. There will be nine brothers sent to receive this award.

Communication with Beta Rho (WVU) and Psi Gamma (WVSU) has been great with our chapter. Brothers from Zeta Rho were very involved with the creation of the new chapter at WVSU. All the chapters in the state will be having a statewide training in April, which will bring our chapters closer together even more.

As the current president of Zeta Rho, it has been a great pleasure to see the chapter grow in many ways. We have many great brothers in this chapter, and I know it will only continue.

Best wishes,

In U... and I...

- Jonathon T. Pritt  
President of AKPsi

Recruitment:

The rush plan this semester for Zeta Rho is to broaden our name and get more people interested in our fraternity. We need to make a name for ourselves this semester and I am hoping for more input and collaboration among brothers than in the past so that we can have a successful rush and welcome as many new members as possible. Our theme this semester is the NBC comedy "The Office" and our flyers throughout campus will depict this theme. We will be holding 1-2 bake promotions at our table set ups during the three weeks of rush where we will hand out free baked goods with information regarding the fraternity. We will also have informational table set ups periodically throughout those three weeks. We encourage all brothers to help out with all on campus events we have. Interest meetings for the fraternity will be held for interested students to meet the brothers. We're having a great rush so far and a great spring 2013 semester!

We are having a meet the brothers night on January 29th in Drinko Library at 7pm. Also, we are having a bowling with the brothers night for rushies on January 31st at Strike Zone at 7pm

Sincerely

Dru Stanley
