

Integrative Thinking Outcome of Marshall's Baccalaureate Degree Profile

Integrative Thinking: Students will **make connections** and **transfer** skills and learning among varied disciplines, domains of thinking, experiences, and situations.

Trait 1: **Connections among Disciplines:** **Connect** examples, facts, or theories from more than one discipline.

Trait 2: **Relation among Domains of Thinking:** **Connect** examples, facts, or theories from more than one of Marshall's Domains of Thinking.

Trait 3: **Transfer:** **Adapt** and **apply** skills, abilities, theories, or methodologies gained in one situation and/or discipline to other situations and/or other disciplines.

Trait 4: **Connections to Experience:** **Connect** relevant experience and academic knowledge.
