

# 2024 BAND CAMP ITINERARY

## **Aug. 8 – 17, 2024**

Band camp is going to be great this year and we are very excited about it. As we have a ton on our plate, we need to be as productive as possible, but we will also try to have as much fun as possible.

Sectionals and music ensemble rehearsals will take place inside unless otherwise noted. We will be outside quite often, so it is imperative that everyone drinks plenty of water/fluids before, during, and after rehearsals. Use of shade may be utilized but may not always be easy to get to. If we have inclement weather, we will move inside for rehearsal.

Starting on Tuesday the 13<sup>th</sup>, the Week of Welcome begins for all incoming freshmen. All events in *green italics* are *Week of Welcome events*. Freshmen are required to attend some of these events. Those that are required are included in this band camp itinerary. We will discuss this further at the start of camp and we can clarify your schedules then.
