Eligibility/Criteria for Selection of Undergraduate Tuition Waiver Awards:

Awards will be made on a competitive basis for BSC students engaged in an independent research project and registered for BSC 485-488 or BSC 491. To be eligible, applicants should have completed 15 semester hours prior to the semester you are applying for. Waivers are typically available for 2 semesters if funding is available, and if the project continues with successful progress and willingness of the faculty mentor to continue.

Applicant Signature _____ Date _____

Project Director Signature _____ Date _____

Send all application materials to Vickie Cramer, Program Assistant, Department of Biological Sciences, Marshall University, Huntington, WV 25755 – or drop off in S350.
