# Pyramid Teams – Goal setting

- We will start off this next school year with a big and guiding question...

**What is your goal for your county or agency this school year?**

e.g. Decrease challenging behavior in your EC classrooms?  
Implement the Pyramid Model with fidelity? Scaling up  
your Pyramid implementation?

# **Ways we can strengthen coaching?**

- **Increase our trainings for coaches**
- **Facebook group for WV coaches only**
- **Provide video of coaches --- coaching and supporting coaching**
- **Introduce group coaching**
- **Create and distribute a coaching packet that will be ready by August. This will go to each Pyramid Team during their first team meeting this fall**
- **Look at the TPOT and see how to make it work to meet your goal – re-examine how to use it if needed**

# Discussion Time
