

Student Mental Health Committee

Apply here

We are looking for a group of students who want to be leaders that will support their peers with mental health.

This committee will have different positions available, including tech/media, marketing, + event coordinating. The ideal candidates for this committee will be sophomores, juniors, or seniors.

This committee will be great for community service hours as well as building blocks for resumes + scholarships.

This committee is promoted by the school social workers + therapist

GET INVOLVED! YOUR VOICE MATTERS!
