2 Policy

2.1 Dropping of Courses

2.1.1 A student who wishes to withdraw from an individual course after the schedule adjustment period must first secure the instructor’s signature and then present the request to the Registrar in person, by email, or by mail. Students on academic probation must have approval from the student’s academic associate dean in order to drop a course. If the request is made in person, a drop form bearing the signature of the instructor or the department chair must be submitted to the Registrar’s Office. Requests by email must be sent from the student’s MU email account. For mailed requests, the postmark will be the official date of withdrawal. In cases where the student is unable to secure the instructor’s physical signature, instructor permission may be obtained via email. The instructor’s Department Chair may sign in lieu of the course instructor.

2.2 High Demand Course Withdrawal Policy

2.2.1 Any student who withdraws during the “W” period from a course identified as a “high demand” course shall not be allowed to pre-register for the course for the following semester until a week prior to the first day of class. Updated listings of high demand courses are available from the Office of the Registrar.

2.3 Total Withdrawal from the University

2.3.1 Total Withdrawal from the University is defined as dropping all classes for which a student is registered. A student who wishes to totally withdraw from the university must first secure the
signature of the Director of Student Success and then present the request to the Registrar in person, by email, or by mail. If the request is made in person, a drop form bearing the signature of the Director of Student Success must be submitted to the Registrar’s Office. Requests by email must be sent from the student’s MU email account. For mailed requests, the postmark will be the official date of withdrawal. In cases where the student is unable to secure the physical signature of the Director of Student Success, permission may be obtained via email.

2.4 Grades Assigned in Cases of Dropping Courses or Total Withdrawal from the University

2.4.1 In all cases of dropping courses or total withdrawal from the university the instructors will report grades as follows:

2.4.1.1 A student dropping courses or totally withdrawing from the university on or before the tenth Friday after the first class day of the regular semester will receive a grade of “W”. For eight-week courses, summer sessions and other courses of varying lengths, the “W” period ends on the Friday immediately following the two-thirds point in the course. Exact “W” dates are identified in the annual university Academic Calendar.

2.4.2 A “W” grade (withdrew) will have no bearing on the student’s grade point average, but may affect a student’s Satisfactory Academic Progress (SAP) for purposes of financial aid.

2.4.3 Students who drop courses without approval, or who do not follow regulations provided in the preceding paragraphs, receive a grade of “F” at the end of the semester.

2.5 Final Date for Dropping an Individual Course or Totally Withdrawing from the University

2.5.1 The final date for dropping an individual class is the tenth Friday in a regular term. The last date for complete withdrawal from the university is the last day of classes. In both cases, “W” grades are assigned.

2.6 Military Service

2.6.1 Men and women called to active duty in the armed services of the United States are granted full refund of fees, but no credit, if the call comes before the end of the first three-fourths of the semester or term; and full credit, but no refund of fees, is granted if the call comes thereafter. Credit, as described above, will be granted only in those courses in which the student is maintaining a passing mark at the time of departure to military service. The term “called to active duty” is herein defined as being called to active duty as the result of the federal activation of a total reserve component, National Guard unit, or any portion thereof which involves a particular student or an individual who is a bona fide member of the reserve component or a National Guard unit. The final grades, both passing and failing, for three-fourths of a semester or more are to be shown on the student’s permanent record card.

2.6.2 NOTE: It is extremely important to direct students with questions regarding military activation to the Registrar’s Office, which certifies students for educational benefits. The Registrar’s Office is required to notify the Veteran’s Administration when students receiving educational benefits are activated for military service.
2.7 Illegal Dropping of Classes

2.7.1 When a single class is dropped and the withdrawal form contains a fraudulent instructor signature, the action is nullified, and the instructor will assign an appropriate final grade. In those instances where a drop-date appears on an instructor’s grade sheet and the instructor’s records do not indicate that a drop-slip was signed, the instructor may question the validity of the drop in the Registrar’s Office at the time grades are submitted. Then it can be determined whether the signature is valid or not, and the instructor can supply the grade that is appropriate for the situation.

2.7.2 In cases where a fraudulent instructor signature is submitted on a course withdrawal form, an Academic Dishonesty form should be submitted to Academic Affairs by the instructor, chair, dean, or appropriate university official.

2.8 Medical or Emergency Withdrawal

2.8.1 In cases when students withdraw from the university for medical reasons, their request for total withdrawal must be supported by certification from the attending physician. In order to be readmitted after this total withdrawal, the student must provide a letter and supporting documentation from the attending physician indicating that the student is able to return. Confidentiality will be maintained at all times except on a need-to-know basis.

2.8.2 In cases when students withdraw from the university for emergency reasons, their request for total withdrawal must be supported by appropriate documentation related to a catastrophic situation. In order to be readmitted after this total withdrawal, the student must provide supporting documentation indicating that the student is able to return. Confidentiality will be maintained at all times except on a need-to-know basis.

2.8.3 Requests for medical or emergency total withdrawals from the university or from an individual class will be handled on a case-by-case basis through the Assistant Dean of Students for Advocacy. Students who receive a medical or emergency total withdrawal shall receive a grade of “W”.

2.9 Backdated Withdrawal Procedures

2.9.1 In those rare instances when a backdated withdrawal from a class (or classes) is justified, the following guidelines must be followed:

2.9.2 For undergraduate students, the applicable dean is the academic college dean. For graduate students, the applicable dean is the Dean of the Graduate College. Before determining a date of withdrawal, the applicable dean will consult with the Financial Aid Office. If a student has received a loan or other financial aid (federal, state, or institutional) predicated upon full or part-time enrollment, the student may have to repay the university before he/she can be backdated out of the class. Establishing the appropriate withdrawal date is important in terms of institutional policy.
