MARSHALL CAMPUS REC **PROGRAM GUIDE** *SPRING 2020 | JANUARY - MAY*

ABOUT US

Whether you're charging up for the day with a morning swim, relieving stress during midterms with a high intensity interval class or relaxing after work with a yoga session, the Marshall Recreation Center offers a variety of options to suit your individual, healthy lifestyle.

There's something for everyone- whether it be personal training, group workout sessions, nutrition consultations, equipment rentals, outdoor trips, intramurals or any of the many options we offer, the Marshall Recreation Center is dedicated to helping you maintain a healthy lifestyle.

Combining fresh new ideas with creative ways to increase the health of the community and make fitness easier for you is our job. All you have to do is jump in the pool, belay up the climbing wall or pick up a racket — join us.

MISSION

Campus Recreation will promote health and well-being by providing a clean and safe environment, innovative programs and opportunities for student development within the Marshall Community.

VISION

Campus Recreation will have a lifelong impact on the Marshall Community by serving as a destination for healthy lifestyles.

VALUES

Integrity - *We are...a culture centered on honesty, trust, respect and accountability.*

Empowerment - *We are...devoted to the development of our staff and encourage ownership and inspire creativity.*

Inclusion - *We are...focused on equal opportunity and celebrate differences within our community.*

Enthusiasm - *We are...passionate, invested and excited to serve others in a positive way.*

Teamwork - *We are...committed to fostering relationships, supportive of one another and work together to achieve our purpose.*

Excellence in Recreation

Another Spring has begun to settle on Marshall University and Huntington, and we here at the Marshall Rec Center are excited for all the programs, classes and special events we have in store for our students and members.

The Indoor Triathlon is always a big hit, and for those of you looking for a unique challenge, it could be the event for you. Check out the new and improved F45 studio to experience this awesome HIIT, circuit and functional training class sure to get your heart pumping! You'll have a chance to meet with some informative vendors at WellFest to help you become the best version of yourself, both in body and spirit. These are just a few of the events we have scheduled for you – the book you are holding in your hand is your guide to everything we have to offer.

Make sure to follow Campus Recreation on our social media, it is a great way to keep up to date on all of our special events and Rec updates. Our F45 Instagram account is up and running @f45_training_marshall, hop on there and give it a follow. With a new workout every day, you never know what you'll find.

As we prepare for a spring season of events, programs and classes, we welcome your feedback and look forward to providing you with a variety of options to suit your individual healthy lifestyle. Try a new class, swim some laps, climb the wall – join us!

In good health,

Explore the wonders of the Ozark Mountains and the Buffalo National River this spring. Participants will climb at Horseshoe Canyon Ranch, one of the area's premier sites, and hike along the breathtaking Buffalo River on this 8-day adventure. Don't miss your chance to do spring break right.

Adventure, fun, and new experiences await you this Spring Break. We will be traveling to the heart of the Ozarks to climb at Horseshoe Canyon Ranch, a world class climbing destination, nestled in the heart of the Ozark Mountains in Arkansas. Envision yourself climbing, hiking, and exploring throughout the day, while relaxing around a campfire during the night. While there will be plenty of climbing to go around, we will participate in day hike explorations of the surrounding waterfalls, vistas, and wildlife.

Throughout our adventure, your leaders will teach you everything you need to know about climbing, hiking, and camping as well as the history and the ecosystems of the surrounding area. This is a great opportunity to take time away from the stress of society and experience the natural world around us. And we'll build lasting friendships as we adventure together! **Register at the ProShop or online today.**

American Red Cross

CERTIFICATIONS

Campus Recreation offers American Red Cross Certification Courses in CPR/AED, First Aid, Lifeguarding and Instructor Certifications. Students, faculty, staff and the community are welcome to enroll in these classes. Certified American Red Cross instructors teach all classes. These programs are offered in blended learning formats (online learning with instructor-led skill session); registrants will receive the online learning link one week prior to the start of class. Assigned online lessons must be completed prior to the start of the class.

Please note that participation in a certification class does not guarantee certification. All skills related to the certification must be properly demonstrated as defined by the curriculum to receive certification.

**Lifeguard Training is also offered as a Fall and Spring PEL course. See your advisor for more details or visit mubert.marshall.edu/scheduleofcourses.php*

The American Red Cross Lifeguarding course provides entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide professional-level care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take over. This program is the blended learning format which consists of 7 hours eLearning and 19 hours 45 minutes in-person skill and knowledge training. Certification is valid for 2 years from date of class.

Register at the ProShop or online today.

Candidates must:

- Be at least 15 years old on or before the final scheduled session of the course.
- Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both, but swimming on the back or side is not allowed. Swim goggles may be used.
- Tread water for 2 minutes, using only the legs. Candidates should place their hands under the armpits.
- Complete a timed event within 1 minute, 40 seconds. Starting in the water, swim 20 yards. Swim goggles are not allowed. Surface dive, feet-first or head first, to a depth of 7 to 10 feet to retrieve a 10-pound object. Return to the surface and swim 20 yards on the back to return to the starting point.

PREMIUM FITNESS (See F45 pass prices)

F45

Get the boutique experience right here at The Rec! F45 Training combines elements of High-Intensity Interval Training (HIIT), Circuit Training, and Functional Training. The fusion of these three training concepts has led to the development of 36 different, 45 minute workout experiences, with more in development by our F45 Athletics Department. This combination of interval, cardiovascular and strength training has been proven to be the most effective workout method for burning fat and building lean muscle. Additionally, with the use of F45 heart rate technology you will reach your workout goals faster and know where you perform!

GROUP FITNESS (Free with membership)

Chair Yoga

Chair Yoga is one of the gentlest forms of yoga in which you will practice movements with the use of a chair from the standing or seated position. Use of the chair offers support throughout each movement flow.

CUT 45

This all-out circuit style workout focuses on specific muscle groups each class, and offers training at various intensities. Cut some time out of your mid-day routine and join us today!

CUT 45 CARDIO

Fused with the circuit style workout offered in CUT 45, this 45 minute class offers a new spin on circuit training! Join this class for a unique blend of cycling and strength training.

Cycle

This class consists of hills, flats, sprints and everything in between! A challenging class driven by incredible playlists and motivating instructors. Get ready to sweat, work hard and have fun!

Dance Fitness

Dance Fitness will help build cardiovascular endurance while following the beat to motivating and energetic music. Join us and work up a sweat on the dance floor!

Glide-Fit

Get a full body workout all on the water! This class is a low-impact, cross training workout performed on an inflatable SUP board in the pool.

Les Mills BODYCOMBAT®

BODYCOMBAT® is a high-energy martial arts-inspired workout that is totally non-contact. Punch and kick your way to fitness. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. Release stress, have a blast and feel like a champ. Bring your best fighter attitude and leave inhibitions at the door.

Les Mills BODYPUMP®

Using light to moderate weights with lots of repetition, BODYPUMP® gives you a total body workout. Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more.

Les Mills CXWORX®

Exercising muscles around the core, CXWORX® provides the vital ingredient for a stronger body. A stronger core makes you better at all things you do, from everyday life to your favorite sports – it's the glue that holds everything together.

Locomotion

Locomotion is a low impact class that will help improve your overall fitness level in areas such as endurance, strength, balance and flexibility. With the use of various equipment, such as stability balls and dumbbells, each class will offer new workouts to help you reach your goals!

SilverSneakers

- SilverSneakers **Stability** If you want to improve your balance and strength, this is the class for you! Movements focus on strengthening the ankle, knee and hip joints, while improving reaction time.
- SilverSneakers **Classic** focuses on strengthening muscles and increasing range of movement for daily life activities. Participants can use hand-held weights, elastic tubing with handles and a SilverSneakers ball. Often a chair is used for seated exercises or standing support.
- SilverSneakers **Splash** provides a fun environment using a splash-board to increase movement and intensity options during shallow-water exercises. This class is suitable for all skill levels, and even safe for those who don't swim.
- SilverSneakers **Circuit** offers standing low-impact moves that alternate with standing upper-body strength. The class can be adapted for all fitness levels.

STRONG by ZUMBA®

Strong by Zumba® combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move. Every squat, every lunge, every burpee is driven by the music, helping you make it to that last rep, and maybe even five more.

Yoga Flow

Yoga Flow focuses on linking conscious breath with a vigorous and mindful Flow. You will build strength, flexibility and concentration while cleansing the body and calming the mind.

****Intensity levels for all classes can be adjusted to meet your current fitness level.***
