

OFFICE OF
CAREER EDUCATION

VETERANS

1681 5th Avenue | (304) 696-2370 | career@marshall.edu

As a veteran, you have a set of qualities and professional experience that give you an advantage with your civilian career. In recognizing your strengths, the staff in the Office of Career Education also appreciate the challenges associated with transitioning back into the culture of civilian life and work environments. The Office of Career Education is here to provide the resources to assist you during this next phase of your career path.

Marketing your Military Experience & Making a Plan

Composing a civilian resume using military experience can require careful attention to language and terminology. Check out this link (<http://www.baseops.net/transition/resumetips.html>) for some examples of using military experience in civilian resumes and cover letters in a variety of industries. To make an appointment with a career coach, please call 304-696-2370.
