

**CHEMISTRY DEPARTMENT  
REQUEST FOR CAPSTONE RESEARCH ADVISOR**

The capstone project should reflect student's ability to integrate chemistry knowledge gained through the coursework, to learn outside the classroom, and to demonstrate independence. An intellectual contribution within the field of chemistry is expected.

Student Name: \_\_\_\_\_

Chemistry Courses Completed:    \_\_\_\_\_            \_\_\_\_\_            \_\_\_\_\_  
   \_\_\_\_\_            \_\_\_\_\_            \_\_\_\_\_  
   \_\_\_\_\_            \_\_\_\_\_            \_\_\_\_\_

I have read Capstone Experience Guidelines (see the link on the capstone webpage <https://www.marshall.edu/chemistry/degrees/capstone/>). I have discussed the research projects that are being carried out in the laboratories of three undergraduate chemistry faculty members.

Faculty Signature	Date
_____	_____
_____	_____
_____	_____
_____	_____

My preferences for research advisor are listed below in order of descending preference.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Notes: 1. If the proposed research advisor is not in the Department of Chemistry, a short description of proposed project signed by the advisor is required as part of this request.; 2. If you are currently conducting research in a lab and wish to continue this arrangement, you only need one signature from the relevant faculty member.

This form must be returned to the Department chairperson **no later than 4:00 p.m.** on the day **prior** to the schedule adjustment period at the beginning of the semester in which you first sign up for CHM 491.

**\*Research advisor assignments are subject to Department of Chemistry approval. Students are not guaranteed their first choice.\***
