February 2nd, 2026

Delta Sigma Pi LEAD Conference

This past weekend, 4 LCOB students attended Delta Sigma Pi's 2026 North Central LEAD Provincial Conference in Cincinnati, OH. They networked with brothers throughout the U.S., attended workshops, and supported the fraternity's service initiative by delivering cards for children at Cincinnati's local Ronald McDonald House.

From left to right in the photo above, these students include Fiona Feng (FIN), Clare Walker (FIN/MGT), Anna Tran (FIN), and Jamison Lewis (MBA).

Vibe Coding Fridays at the LCOB!

When: Fridays

Time: 11:00 AM – 12:00 Noon

Where: SBUS Room 311

Join us for Vibe Coding, a fun, hands-on weekly session offered by the Center for Cyber Innovation in Business (CCIB) and led by Dr. Susan Lanham. Each week we'll explore how to code with ChatGPT and Python, create something original, and experiment with the latest AI tools. Every session is designed for absolute beginners. No prior coding or AI experience required.

Whether you're a student, faculty member, staff, friend, or family, you're invited to discover how easy and exciting coding can be. Bring your laptop, your curiosity, and your creativity, and leave with something uniquely yours.

Learn. Build. Innovate. Together.

Fridays • 11:00AM – 12:00Noon • SBUS Room 311

Scan the QR code above to see what they're doing this Friday, February 6th.

Looking to Hire?

Looking to bring fresh talent into your team? Lewis College of Business students are eager to make an impact through internships! Connect with motivated interns by reaching out to Kesling8@marshall.edu. Let's create opportunities together!
