MASTER OF SCIENCE IN ACCOUNTANCY

LEWIS COLLEGE
OF BUSINESS

Offered Face-to-Face and Online

Students can choose from the traditional face-to-face delivery mode or our new fully online delivery mode. The online M.S. in Accountancy program allows students to take classes without being on campus, making it convenient for students who have already started their careers and want more flexible schedules. All our online classes meet Quality Matters standards with well-conceived, well-designed, well-presented courses.

Accreditation

The Lewis College of Business, which houses the Master of Science in Accountancy, is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International, the benchmark of quality business education worldwide. The Lewis College of Business is accredited in both Business and Accounting, making it one of only approximately 1.5% of business schools worldwide with the dual accreditation.

Program Curriculum

Whether online or face-to-face, the program includes courses in the following subjects:

- Audit Theory and Practice
- Advanced Controllorship
- Accounting Research
- Auditing Accounting Information Systems
- Advanced Income Tax Procedure
- Professional Development and Ethics in Accounting
- Government and Business Relationships
- Accounting and Other Electives

Admission Requirements

Applicants should follow the admissions process described in the Graduate Catalog or the Graduate Admissions website at www.marshall.edu/graduate/admissions/how-to-apply-for-admission. In addition to the requirements for admission to Marshall University's Graduate College, applicants must have one of the following:

- 1.** An undergraduate degree in business from a regionally accredited institution with an undergraduate Grade Point Average (GPA) of 3.0 or higher on a 4.0 scale for all previously completed coursework.
- 2.** Completed ACC 311, ACC 312, ACC 318, ACC 341, ACC 348, and ACC 429 or equivalent with a 3.0 GPA or higher.*
- 3.** A score of 500 or better on the Graduate Management Admission Test (GMAT) or an index of 1,100 is computed by multiplying the undergraduate grade point average by 200 and adding the GMAT score. The minimum acceptable GMAT score is 400 and 15th percentile verbal.

*All students admitted to the program will complete these undergraduate courses with a C or better. Students who have completed equivalent courses as a part of their undergraduate degree will receive credit for this requirement. Those who have not completed the courses will complete them as a part of the degree requirements.

Conditional admission can be granted for one term if the applicant meets all program requirements for admission, except if they have not officially graduated with their bachelor's degree. Once the degree is granted, the applicant would need to resubmit his or her official transcripts for full admission.
