This was the best group of students I have had the pleasure of speaking with in years!

Very well put together event. AWESOME students!

Without interviews it is hard to rate the students in some areas. Great students today!

Very organized event and the students were all excited to be here. The lunch was good and the event had a good turnout. Candidates were prepared with resumes.

I did not have the opportunity to speak in depth with the students. All carried themselves in a professional manner. We would love to add Marshall and WVUP grads to Gullford County Schools.

Start earlier (9 or 10am)

Offered one contract today and probably will offer one more. In addition I have one Skype interview today.
