Content Area: MATHEMATICS
Grade Level: 5-Adult

To meet content requirements in this certification area, students must complete the following:

40 hours of content courses in MATHEMATICS - No grade below a "C" will be accepted for content work.

Please Note: 21 of the 40 content hours must be upper division (300 level or higher) or graduate level

6 hours in ALGEBRA

6 hours in GEOMETRY

6 hours in PROBABILITY/STATISTICS

CALCULUS I, II, III

Remaining hours must be courses with a MATH designation. Please note that CIME courses **will not** count. Courses must be taken at a regionally accredited institution of higher education and will not be counted twice.

Course number	Credit Hour(s)	Course name	Institution	Grade
Calculus I, II and III				
6 hours of Algebra				
6 hours of Geometry				
6 hours Probability/Statistics				
Additional hours to bring total Math course hours to 40
