EXPERIENCE

Assistant Professor	August 2025 - present
Marshall University College of Education and Professional Development <i>Huntington, West Virginia</i>	
<ul style="list-style-type: none">• Design and instruct undergraduate courses in teacher education, including methods courses. Current courses include: CI 342 (Literature and Language Arts Methods), CI 301 (Teaching Elementary School Mathematics), CI 448 (Elementary Science Methods), and CI 442 (Instruction and Classroom Management in Elementary School).• Integrate active learning strategies, technology, and evidence-based teaching practices to support student success.• Collaborate with local schools, districts, and community partners to support and strengthen school-university partnerships.• Serve on college committees, contributing to program development and accreditation efforts.• Engage in professional service through conference presentations, workshops, and participation in professional organizations.	
Assistant Director	September 2014-August 2025
Marshall University College of Education and Professional Development <i>Huntington, West Virginia</i>	
<ul style="list-style-type: none">• Facilitate public school clinical placements for 350+ students each semester in multiple counties and schools in West Virginia and surrounding states to ensure diverse cultural experiences.• Supervise teacher candidates, cooperating teachers, and university supervisors to ensure all parties meet evaluation benchmarks.• Implement individualized student improvement plans for those who require remediation, tracking progress, and providing additional support when necessary.	

- Evaluate program performance each semester by analyzing student, teacher, and supervisor feedback.
- Restructured and streamlined the clinical placement process by implementing digital information forms.
- Coordinate and present multiple group orientations, seminars, and professional development sessions each semester.
- Interact with current students and alumni through social media to market events and feature COEPD awards and achievements.
- Disseminate information to current students through weekly newsletters and text message applications.
- Co-administrator for Live Text data system, used to track evaluations and time logs for all student placements and analyze data provided.
- Identify and evaluate graduate performance for annual case studies for accreditation purposes.
- Partner with various departments across campus annually to coordinate events, including Educator Expo and Extra Yard for Teachers.
- Coordinate the final seminar and recognition ceremony, including student teacher of the year awards and guest speakers.
- Partner with WV county boards of education to place students in Content Teacher of Record positions, generating income for the college.
- Budget for, order, and distribute \$5000+ mentor teacher gifts and supplies each semester.
