

**2026 Marshall University College of Health Professions
Student Research and Practice Day**

April 16, 2026

Don Morris Room, Student Memorial Center

The COHP Research Committee is requesting the submission of original student written abstracts that fit one of the following categories.

- Original Research
- Evidence Based Practice Synthesis
- Research Problem and Proposal
- Clinical Case Studies

Specific instructions for each category are provided on the submission webpage. Students should contact their faculty advisor or a COHP Research committee member to help determine the appropriate submission category for their abstract.
