ONE HUNDRED AND TWENTY-FIFTH
COMMENCEMENT

MARSHALL UNIVERSITY

SUNDAY AFTERNOON, MAY THE TWENTY-SEVENTH
NINETEEN HUNDRED AND SIXTY-TWO
TWO O'CLOCK
UNIVERSITY CAMPUS

“Alma Mater”

Marshall Gracious Alma Mater,
We thy name revere:
May each noble son and daughter
Cherish thine honor dear.
May thy lamp be ever bright,
Guiding us to truth and light;
As a beacon o'er dark water
This is for thee our prayer.

May the years be kind to Marshall;
May she grow in fame;
May her children fail her never,
True to her beacon flame.
May her spirit brave and strong
Honor right and conquer wrong;
This the burden of our song
Ever her truth proclaim.

Music: DR. C. E. HAWORTH
Words: JAMES HAWORTH '06

The President's Charge to the Graduates

It is my pleasant privilege, ladies and gentlemen of the graduating class, to welcome you into the great body of 17,022 graduates of Marshall University. No two of you have had exactly the same experiences at Marshall nor will you carry away with you the same memories. Yet all of you have had four experiences in common:

1. You chose Marshall of your own free will.
2. You were admitted.
3. You selected your own programs of study.
4. You followed these programs successfully to this day of graduation.

At any time until this afternoon you could have left the University. But now you are in for life. You belong to Marshall and Marshall belongs to you.

Your names are not only on our records; they are also in our hearts.

I hope that you will come back to the campus frequently and keep fresh your University memories.

I am grateful for your high standards of conduct as well as of scholarship.

We of the faculty and staff who will remain here have faith in you.

You succeeded in the University and we believe that you will succeed in the harder tasks that lie before you.

I challenge you to hold your degree as a sacred trust

With untarnished honor to yourself and to your University

And with fidelity to your country, your fellowmen, and to God.

Stewart H. Smith
President

ACADEMIC COSTUME

The custom of wearing academic regalia in the colleges and universities of the United States has been continuous since Colonial times. The colors indicating fields of study and degrees conferred are now of standard significance and at Marshall University show in the hoods worn by the Master's degree candidates. Doctor's and Master's hoods worn by members of the faculty are colorful and elaborate. Hoods for both Master's and Doctor's are made of black, lined with silk chevrons in the official colors of the university conferring the degree, and trimmed with velvet collars in colors distinctive of the degree.

MARSHALL UNIVERSITY, now in its one hundred and twenty-fifth year, welcomes the graduating class into its alumni family. The faculty and administration join with the family and friends of each graduate in congratulating each on the attainment of a higher education.

Today's graduates are joining thousands of Marshall alumni spread throughout the entire world. Marshall men and women live in each of the 50 states and in 12 foreign countries. Within a few days those crossing the stage this afternoon to receive their degrees will make their individual ways to various parts of this world.

The University, established as Marshall Academy in 1837, was named in honor of John Marshall, Chief Justice of the United States Supreme Court from 1801 to 1835. John Laidley, long-time friend of Marshall, is traditionally accepted as the founder of the Academy.

There are many milestones in Marshall's growth: the humble subscription school called Mt. Hebron; the private academy founded by John Laidley; the College, elevated to collegiate status by the Virginia Assembly in 1858; the "West Virginia State Normal School . . . to be established at Marshall College in the County of Cabell . . ." in 1867; the conferring of the first baccalaureate degrees in 1921; the separation of Teachers College and the College of Arts and Sciences in 1923; recognition by the North Central Association of Colleges and Secondary Schools in 1928; the organization of the Graduate Division in 1938 and its elevation to Graduate School in 1948; the establishment of the College of Applied Science in 1960; and the change of name to Marshall University on March 2, 1961.

The four-room Academy on its one and one-half acres has grown to twenty buildings situated on thirty-five acres in the heart of Huntington, the city that came after and grew up around the University. The 185-acre University Heights Campus is now under development.

Marshall is continuing its service to young men and women as it prepares them for business, industry and the professions in West Virginia. More teachers for the public schools receive their training at Marshall than at any other school in the state. Doctors, lawyers and engineers have received their pre-professional education and their bachelor degrees from the University. Business and industry look to the University for well-trained personnel.

At the close of today's ceremonies, the University will have graduated 17,022 students. These new alumni will remember with affection the classrooms of Old Main, the friendly greetings of President Smith and all other Marshall personnel, the skillful teaching of a respected professor, the lovely campus in the spring just before school is out and in autumn when hurrying feet stir fallen leaves, the conversations in Shawkey Student Union, the thrills of Mid-American football and basketball games, the shade of the Beech Tree, the bust of John Marshall, and, most of all, the many friendships formed here at Marshall University.
