ALMA MATER

Marshall Gracious Alma Mater,	May the years be kind to Marshall;
We thy name revere:	May she grow in fame;
May each noble son and daughter	May her children fail her never,
Cherish thine honor dear.	True to her beacon flame.
May thy lamp be ever bright,	May her spirit brave and strong
Guiding us to truth and light;	Honor right and conquer wrong;
As a beacon o’er dark water	This the burden of our song
This is for thee our prayer.	Ever her truth proclaim.

(The audience will remain seated during the academic procession and recession)

HISTORY

Marshall University traces its origin to 1837, when residents of the community of Guyandotte and the farming country nearby decided their youngsters needed a school that would be in session more than three months a year.

Tradition has it that they met at the home of lawyer John Laidley, planned their school and named it Marshall Academy in honor of Laidley's friend, the late Chief Justice John Marshall.

At a spot called Maple Grove they chose one and one-quarter acres of land on which stood a small log building known as Mount Hebron Church. It had been the site of a three-month subscription school and remained that for another term. Eventually \$40 was paid for the site.

On March 30, 1838, the Virginia General Assembly formally incorporated Marshall Academy. Its first full term was conducted in 1838-39.

For decades the fledgling school faced serious problems, most of them financial. The Civil War forced it to close for several years, but in 1867 the West Virginia Legislature renewed its vitality by creating the State Normal School at Marshall College to train teachers. This eased Marshall's problems somewhat, but it wasn't until the tenure of President Lawrence J. Corbly from 1896 to 1915 that the college began its real growth. In 1907, enrollment exceeded 1,000.

Since then Marshall's expansion has generally been consistent and metimes spectacular. Teachers' College was organized in 1920 and the first llege degree was awarded in 1921. The College of Arts and Sciences was rmed in 1924, and the Graduate School was organized in 1948. The College of pplied Science came into being in 1960; the School of Business was formed in 1969. These were merged into the College of Business and Applied Science in 1972. In 1974 the School of Medicine and Associated Health Professions was tablished. A Community College is being organized in 1975.

Marshall became a full-fledged university in 1961. Today it has an alumni body of more than 23,000.

Since the formation of the West Virginia Board of Regents in 1969, Marshall's progress as an urban-oriented university has been given strong impetus. As a result of this support, and because of its own active leadership and its location in the busy Tri-State Area, Marshall is a university with unbounded prospects.

ACADEMIC COSTUME

The custom of wearing academic regalia in the colleges and universities of the United States has been continuous since Colonial times. The colors indicating fields of study and degrees conferred are now of standard significance and at Marshall University show in the hoods worn by the Master's degree candidates. Doctor's and Master's hoods worn by members of the faculty are colorful and elaborate. Hoods for both Master's and Doctor's are made of black, lined with silk chevrons in the official colors of the university conferring the degree, and trimmed with velvet collars in colors distinctive of the degree.
