By completing the information above and signing below, you acknowledge your understanding of these policies:

1. I understand that as a Distance Student, my ability to participate in and gain access to certain university activities and events is restricted, but that I am eligible for certain student services related to my program such as advising, career planning, etc. I further understand that I am not eligible for graduate assistantship opportunities.
2. I understand that Distance Student status prohibits me from registering for and attending traditional face-to-face classes. Exceptions to this include courses in which I participate only via an electronic link (video and/or audio) and graduate courses for staff development offered through the College of Education and Professional Development.
3. I understand that if I register for a traditional face-to-face course as a Distance Student, that registration may be removed from my schedule.
4. I understand, as a Distance Student, if I revert to regular enrollment status to register for and attend any traditional face-to-face classes, the ability to return to Distance Student status to be eligible for the Distance Student tuition rate may not be available to me.
5. I understand that if I change majors to a degree program other than the one in which I am currently admitted, I will automatically revert to a regular enrollment status. I further understand that I must reapply for designation as a Distance Student even if I change directly to another qualifying distance program.
6. I understand that this request does not admit me as a student to the University nor does it change my major; and that in order for a request for Distance Student status to be processed, I must have been previously admitted into a qualifying distance program or previously changed my major into a qualifying distance program via the usual University processes.
7. ***University Employees Only:*** This status is related to fee assessment only and does not disqualify employees who are also students from participating in online courses and distance programs; however, employee tuition waivers may be applied to regular enrollment status only. Employees must select Regular Enrollment Status on this form to be eligible for employee tuition waivers for online classes and programs.

I request my enrollment status be set to (check one): **____ Distance Student Enrollment Status**

____ Regular Enrollment Status

_____ Name Date	**For Office Use Only:** Program Code:_____ Effective Term Code:_____ By: _____
