## Marshall Sponsored QM Classes:

### 1. Introduction to Quality Matters (INTRO2QM)

Learn what QM is and how it can help you deliver on your online promise. This two-week, facilitated workshop is ideal for those new to QM or considering a QM membership. Explore why QM is widely considered the gold standard in online quality assurance and how its implementation can support a culture of quality from many avenues. **Course Length:** Two weeks | **Delivery Mode:** Online (Asynchronous) | **Instruction:** Facilitated

### 2. Applying the Quality Matters Rubric (APPQMR)

Learn the underlying principles behind the QM Rubric and the critical elements of the QM quality assurance process. Learn about drafting helpful recommendations as you apply the Rubric to an actual course.

**Course Length:** Two weeks | **Delivery Mode:** Online (Asynchronous) | **Instruction:** Facilitated

### 3. Designing Your Online Course (DYOC)

Bring your online course to this workshop and get a framework for developing an online course plan. You'll use a framework and explore the QM Rubric to design one module for your online course. **Course Length:** Two weeks | **Delivery Mode:** Online (Asynchronous) | **Instruction:** Facilitated

### 4. Improving Your Online Course (IYOC)

Use the QM Rubric to review your own courses and develop a course improvement plan. Bring course content to class so you can practice on your own materials.

**Course Length:** Two weeks | **Delivery Mode:** Online (Asynchronous) | **Instruction:** Facilitated

## QM Recertification Classes:

*You only need to take one of these courses to recertify*

### 1. Applying the Quality Matters Rubric (APPQMR)

Learn the underlying principles behind the QM Rubric and the critical elements of the QM quality assurance process. Learn about drafting helpful recommendations as you apply the Rubric to an actual course.
