7

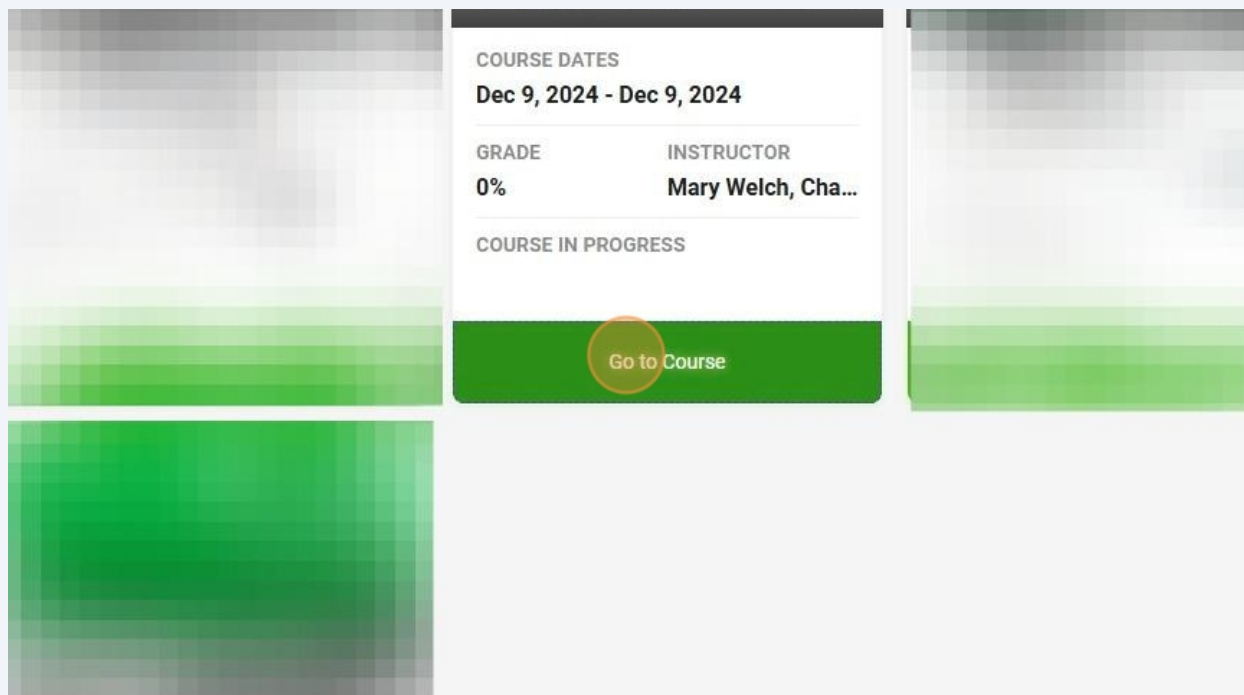

Currently Designers must approve your registration. We aim to have that complete within 24 hours.

8

Once you receive email notification of approval, you can then choose to access the course through the Marshall Skills Exchange (Genius) or on your regular Blackboard account.

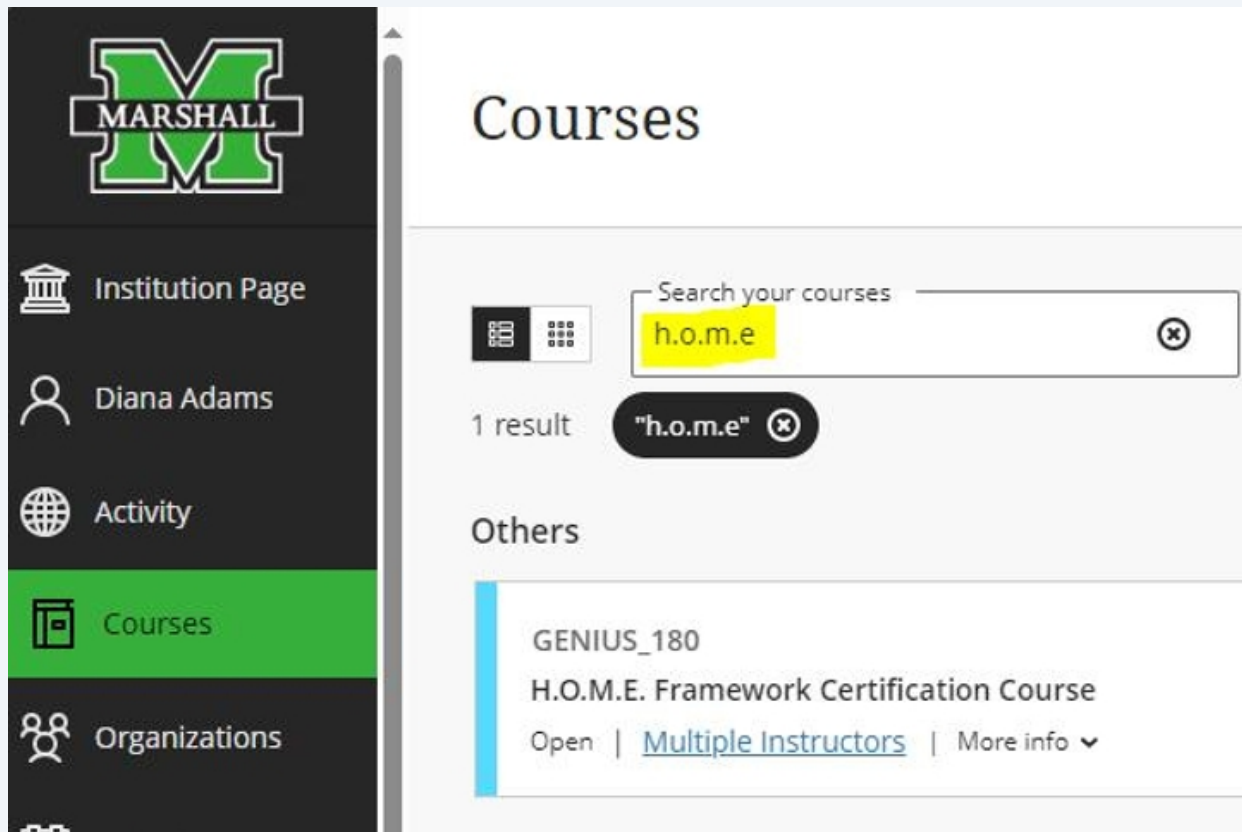

9

For **Marshall Skills Exchange** (Genius) Access - Click "Go to Course"

10

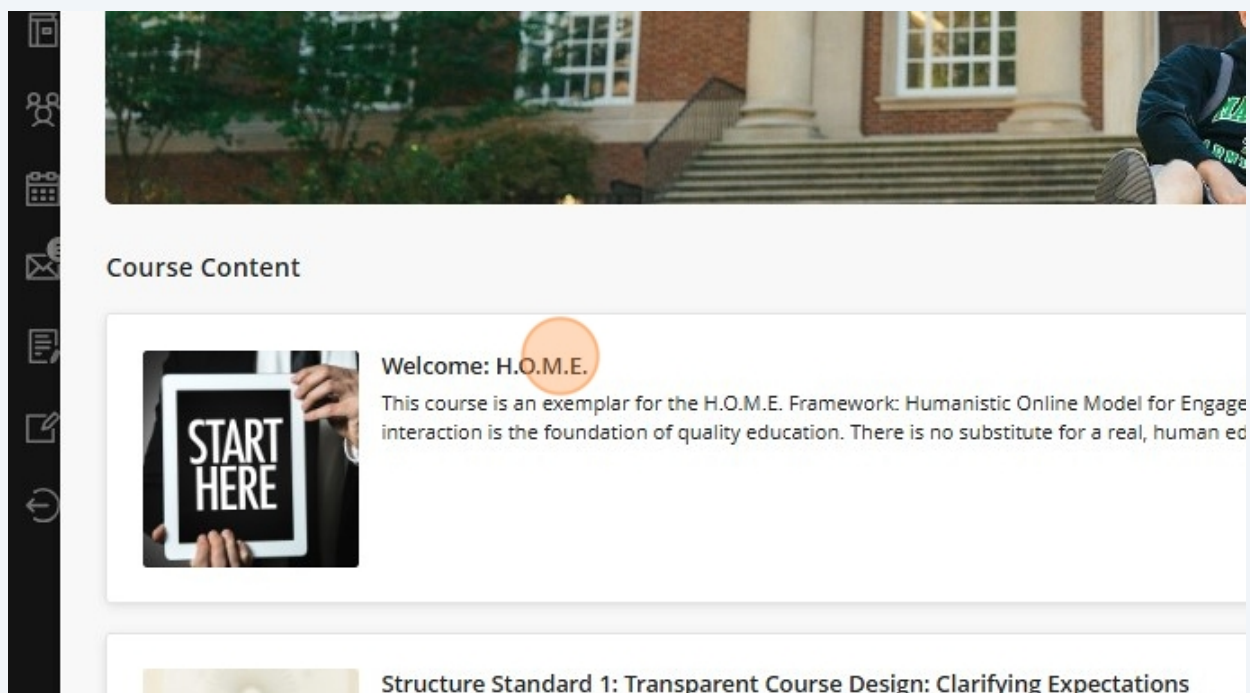

For **Blackboard Access** - Go to your Blackboard Course List, then search "H.O.M.E. Framework Certification Course" in the Search Your Courses Section.

The screenshot shows the Marshall University Blackboard interface. On the left is a dark sidebar with the Marshall University logo at the top. Below the logo are navigation links: "Institution Page" (with a building icon), "Diana Adams" (with a person icon), "Activity" (with a globe icon), "Courses" (with a book icon and highlighted in green), and "Organizations" (with a group of people icon). The main content area is titled "Courses". It features a search bar with the text "Search your courses" and a search input field containing "h.o.m.e.". Below the search bar, it says "1 result" and shows a button with "h.o.m.e" and a close icon. Underneath, there is a section titled "Others" which contains a course entry for "GENIUS_180 H.O.M.E. Framework Certification Course". This entry includes links for "Open", "Multiple Instructors", and "More info".

Through either route, Click "Welcome: H.O.M.E." to begin the course.

The screenshot shows the Blackboard Course Content page. On the left is a dark sidebar with various icons for navigation. The main content area is titled "Course Content". It features a large banner image at the top showing a person sitting on steps in front of a building. Below the banner, there is a section titled "Welcome: H.O.M.E." with a small orange circle highlighting the text. This section includes a thumbnail image of a tablet displaying "START HERE" and a paragraph of text: "This course is an exemplar for the H.O.M.E. Framework: Humanistic Online Model for Engage interaction is the foundation of quality education. There is no substitute for a real, human ed". Below this, there is another section titled "Structure Standard 1: Transparent Course Design: Clarifying Expectations" with a small thumbnail image.
