Students are admitted on a rolling basis and may begin the program in any term (i.e., fall, spring or summer). All content courses, however, must be completed before students may enroll in any research courses (i.e., all Year 1 courses must be completed before students may enroll in any Year 2 course).

All research courses are offered every term and are sequential. They must be completed in this order.

- EDF 625  Taken together in first term of research block.
- EDF 703
- 
- EDF 676  Taken together in second term of research block.
- LS 764
- 
- EDF 711  Taken together in third term of research block.
- LS 765
