## **1. State of West Virginia PCard Program**

The State of West Virginia Purchasing Card Program, hereinafter referred to as PCard, provides an opportunity for Marshall University to streamline business practices and minimize effort for transactions up to \$10,000.00. Equipment \$5,000.00 and above is excluded from purchase with the PCard and will require a requisition. All invoices and/or quotes with terms and conditions or on-campus labor require a requisition.

- A. This manual contains the procedures associated with Marshall University's procurement card program.
- B. The State of West Virginia PCard Program was created and implemented in 1996 by West Virginia Code, §12-3-10a, and is governed by Legislative Rule, 155 CSR 7. The State Auditor's Office, PCard Division serves as the Program Administrator for the State PCard Program.
- C. It is the policy of the University that all Deans, Directors, Designees, Designated Card Coordinators (DCCs), and cardholders must be knowledgeable of and follow all PCard policies and procedures and applicable procurement policies and procedures.

## **2. Proper Oversight**

- A. A community of people within the University share financial stewardship of the University's PCard program, in different roles. These are roles, not job descriptions, so an individual may function in more than one of these capacities.
  - CFO – Vice President for Finance
  - Director – Shared Business Services
  - Agency PCard Coordinator
  - Dean, Director, or Designee
  - Designated Card Coordinator (DCC)
  - Supervisor
  - Cardholder
- B. The Agency PCard Coordinator's role is to provide leadership and oversight for the University's PCard program. This person works with his/her director/supervisor to establish the policies and procedures

which govern the program, ensure the effectiveness of the program in meeting established objectives, and oversee improvements in operational processes. This role also includes reporting any serious instances of misuse, abuse, or fraud as required.

- C. Deans, directors, or designees are responsible for ensuring that all employees with PCard responsibilities within their respective areas comply with the established internal controls and relevant policies and procedures. These individuals must be knowledgeable of all University PCard policies and procedures.
- D. Designated Card Coordinators' (DCC) role is to ensure the integrity and accuracy of all PCard transactions within their assigned area of responsibility. The DCC must be knowledgeable of all PCard and procurement policies and procedures, as well as the college/division's internal control procedures. Prior to assuming their duties, the DCC must complete the required training.

**NOTE: A DCC who does not complete their annual refresher training within 30 days of the training deadline will have their authority as a DCC revoked until the training is completed.**

- E. The supervisor's role is to ensure that each transaction is allowable, allocable, and reasonable, as well as in compliance with University policies and procedures. The supervisor cannot also be the DCC.
- F. The cardholder is responsible for any transaction charged to their PCard. Cardholders must be knowledgeable of all MU PCard and procurement policies and procedures. They should ensure the security of their PCard and card information and notify vendors that MU is tax exempt for in-state vendors prior to placing orders. Cardholders are to submit receipts and any pertinent documentation along with the Business Justification Form within 24 hours of purchase/payment to their assigned DCC for reconciliation.

### **3. PCard Eligibility**

- A. Those who are eligible to apply for a PCard, with supervisor's approval:
- Full-time Marshall Employees
  - Full-time Marshall Health and Marshall University Research Corporation Employees
- B. Cards cannot be issued to:
- Temporary Employees
  - Part-time Employees
  - Volunteers

Please be aware that the application process involves not only staff at Marshall University, but also at the WV State Auditor's Office and the Bank. **It may take up to 30 days to complete the process and the card to be received.**

**Note: Cardholders are required to complete the online Cardholder Training, Ethics Training and sign the Cardholder Agreement every two years, with a minimum score of 80%, following issuance of their PCard.**

## **5. Use of the PCard**

### **A. Tax Exemption**

1. The State of West Virginia is tax exempt and should not pay tax to in-state vendors. Cardholders are to remind vendors that the State of West Virginia is tax exempt **BEFORE** initiating a transaction.
2. “WV TIN” (WV Taxpayer Identification Number) and the University’s tax identification number are printed on each PCard.
3. The Cardholder is responsible for providing the vendor with a copy of the University’s tax-exempt certificate. A current certificate can be obtained from the Purchasing Department or the PCard Office.

### **B. The PCard is a method of payment.**

1. PCard is for official state business use only.
2. All current Marshall University Purchasing Policies must be followed, regardless of payment methods.
3. PCard may be used to make payments for goods and designated services that do not exceed the cardholder’s transaction limit and are not prohibited by MU PCard Policies and Procedures or MU Purchasing Policies.
4. PCard can be used for travel expenses, with the exception of food and fuel in personal vehicles.

**NOTE: If a vendor declines your card, first call the Bank telephone number on the back of the card. Be prepared to provide the last four digits of your Employee ID number and to verify transactions on the card. If unable to determine the cause of the declined purchase, contact the PCard Office.**

### **C. Security of your PCard**

1. Your purchase card must be kept secure at all times.
2. Online purchases are to be made on secure Internet sites with a closed lock symbol on the screen. Locate symbol prior to entering card information on **ANY** Internet sites. Do not save PCard numbers on any internet sites for future use. Do not set

up recurring charges to auto-charge to the card, i.e., magazines/journals, subscriptions, etc.

3. Cardholders must sign the back of their PCard upon receipt.
4. The person whose name appears on the PCard is responsible for all transactions appearing on the statement.
5. Cardholder account numbers are **NOT** to be transmitted via unsecured Internet sites nor via email correspondence. Transmission of full card number via email will result in immediate card closure and reissuance.

#### **D. Business-Related Travel**

1. The PCard may be used for approved business expenses while engaged in job-related activities away from the regular place of employment. **All travel, with the exception of Athletics, is required to be scheduled through the Campus Travel Office.**
  - a. Travel expenses include, but are not limited to:
    - Registration fees
    - Airline tickets
    - Vehicle rental (commercial or state-owned)
      - Gasoline for rental vehicles only – Prepaid fuel is **UNALLOWABLE. Prepaid**, is using your state issued purchase card, or any type of credit/debit card, to pay for a specific dollar amount of fuel at the register, prior to pumping gas. The rule for fuel purchases with the PCard is to **“pay at the pump”** and retrieve the itemized receipt.
    - Other transportation tickets (taxi, rail, bus, etc.)
    - Hotel folios including business-related costs, such as business Internet access.
  - b. Travel expenses may **not** include:
    - Food
    - Any personal expenses on hotel folios, such as room

service or movies

- Fuel for personal vehicles

**Note:** If room service or personal expenses are paid on the purchase card (Cardholder or Travel Office PCard), travel settlement will not be processed until reimbursement for these charges is made.

- c. Itemized receipts are required for all business-related travel expenses paid using the PCard.
  - d. Proper documentation must be provided for any billing related to multiple travelers to clearly reflect each traveler's portion of the expense.
  - e. All travel related transactions require a list of travelers (i.e., student travel) and MUID numbers for any component of travel: rental cars/buses, baggage, airline, student meals, etc.
2. A preauthorization on all travel must be obtained and a TAR# created by Campus Travel Office is to be provided on each receipt.
  3. The PCard Policies and Procedures do not supersede the Marshall University Board of Governors Policy and Marshall University Travel Procedures.

## **E. Use of PCard for Cash Advances**

Availability of a cash advance on the PCard is limited to select cards within the University with exceptional circumstances. The specific process for obtaining a cash advance will be followed with the cardholder in conjunction with the Program Coordinator and the State Auditor's Office, PCard Division.

## **Improper Use of PCard**

### **A. Card Delegation**

Card Delegation is strictly prohibited. Delegation increases liability and the cardholder is liable for all activity on his or her card.

1. PCard delegation is allowing an individual other than the cardholder whose name appears on the front of the card to make purchases by:
  - a. Having physical possession of the card.
  - b. Having access to the card number and expiration date.
  - c. Having access to receipts or invoices that display card number and expiration date.

## **B. Stringing of Charges**

Stringing is strictly prohibited. Stringing is the intentional manipulation of the ordering, billing, or payment process in order to circumvent the transaction limit.

This includes:

1. Splitting an invoice for more than the individual's transaction limit into more than one transaction.
2. Collusion with vendor to split an order into separate invoices.

**NOTE:** If a necessary transaction is more than the cardholder's single transaction limit, an increase (temporary or permanent) may be requested by the supervisor via email to [pcard@marshall.edu](mailto:pcard@marshall.edu). Please keep in mind that this process can take 48 to 72 hours to complete as the request goes to the State for approval then to the bank for completion of the request.

There is also a process by which our Shared Business Services can process a payment if necessary.

### D. wvOASIS Reconciliation

Not all cardholders reconcile their own transactions as most are assigned a Designated Card Coordinator (DCC) to whom they will submit receipts and required documentation electronically for the completion of their PCard reconciliations.

Those who are responsible for reconciling their own transactions will continue to utilize the original MU PCard Reconciliation and Business Justification Form

<https://www.marshall.edu/finance/purchasing-card-forms/>

All transactions are required to be reconciled in wvOASIS as soon as is possible after a purchase is made, with the Purchase Card Office emailing notification for date of final reconciliation deadline each month. If transactions are not reconciled by the final deadline, they will default to the fund/org of record on the cardholder's account provided by the cardholder/department.

All required documentation attached to transactions in wvOASIS **must be in .pdf format, black and white only with no color:**

1. Completed, Signed MU PCard Reconciliation and Business Justification Form, or electronically signed Dynamic Form if reconciled by an assigned DCC.

2. Itemized, legible receipts.

**A list of current account codes can be found at**  
<https://www.marshall.edu/finance>

Documentation is required to remain onsite for two (2) years from date of transaction.

#### **E. Post-Reconciliation**

The Purchase Card Department audits every transaction, each cycle. Once the DCC or cardholder has reconciled and validated transactions within wvOASIS, the PCard Department personnel will audit reconciled transactions to verify all required steps have been followed by the cardholder.

Once transactions have been reviewed for accuracy and completeness, the PCard personnel will mark the transactions to pay.

**NOTE: Transactions must not be marked “Valid Transaction” during reconciliation until appropriate documentation has been attached.**

## **7. PCard Maintenance / Changes**

An email request from cardholder and/or cardholder's supervisor should be sent for all changes to an individual card.

Name changes (cardholder email acceptable)
